## UCM111 USB-C Docking Station

### Blupeak USB-C to Multi-Port Docking Station

The Blupeak USB-C to Multi-Port Docking Station lets you expand your available ports by adding Dual HDMI, VGA, 3 x USB 3.0, RJ45 Gigabit Network, Audio, SD Card reader and USB-C PD (Power Delivery).

With today's modern MacBooks, Ultrabooks, Chromebooks and tablets coming with as little as only one USB-C port, this Blupeak USB-C Dock is the perfect accessory for your desk.

Designed with anti-slip rubber pads so that your laptop can safely sit on top of the dock and be used as an extra screen. Either side of the dock can be used so that the USB-C PD Power cord is conveniently positioned.
