■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Sway & Sway Pro Camera Sliders, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim Sway & Sway Pro Camera Sliders, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Proaim Team

Introduction

A camera slider consists of rails and some kind of carriage for the camera, right? Well, with the newest addition to our line-up, we say otherwise. Proaim proudly launches 'Sway', a camera slider without actually being a slider. The Proaim Sway is small, yet features a very well thought-out construction. It is a go-to slider with its lightweight and super durable design.

■ What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Note: If you have purchased (SL-051-00) kit, you will receive Proaim Sway Camera Slider

Note: If you have purchased (SL-051-01) kit, you will receive Proaim Sway Pro Camera slider

Assembling

 Mount the sway slider on your tripod stand directly with the help of 3/8"-16 mounting thread.

NOTE: Our Sway Slider has come up with Increased Length, More Camera Travel and Higher Carrying Capacity. The locking mechanism keeps the slider securely folded during transport.

• Attach your fluid head with the sway slider & then mount your camera onto the fluid head.

FRICTION ADJUSTMENT

Both the parts of the slider are held together by a friction adjustment knob, for silky smooth and consistent glides.

 You can adjust the friction with the help of knob. As shown in the picture.

YOUR PROIAM SWAY & SWAY PRO CAMERA SLIDERS ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
