SKU: 666561413521

Features

- The 5 inch Round Dimmable Recessed LED Panel Light is a high-quality and energy-efficient lighting solution for commercial and residential buildings.
- Warm white color temperature of 3000K and produces 400 lumens of brightness.
- High-quality reflector prevents glaring. CRI of 80 ensures accurate color representation.
- Meets Canadian and United States standards and is ETL certified.
- Integrated at the sides within the fixture, providing even light distribution without flickering.
- Can be mounted on surface directly or screwed in an E26 socket in both J-box or regular housing.
- Steps for easy installation using different methods are included.
- Lifespan of 35,000 hours and dissipates very little heat, making it safe to touch.
- Suitable for dry and damp locations, with an IP rating that makes it safe to use in damp locations.
