

# POWER TO FIGHT WINTER WEATHER

## 24-INCH BRUSHLESS DUAL STAGE SNOW BLOWER

**82SN24D**

**GREENWORKS**  
COMMERCIAL

2 STAGE  
SNOW THROWER

Discharge Snow Up To 50'  
With 200 Degrees Of Rotation

Tri-Port Powerhead W/  
Parallel Draw Technology

Bright Led Lights For Early  
Morning Or Late-Night  
Snow Clearing

Zts (Zero Turn System)  
Allows You To Steer  
During Use As Well  
As Turn On A Dime

24" Wide Intake With

Two Hub Wheel  
Motors For The Most  
Energy-Efficient  
Propulsion

**82SN24D**

### TECHNICAL DETAILS

Voltage	82V Lithium Ion
Powerhead	Tri-port parallel draw
Auger/Impeller Motor	Commercial-grade brushless
Auger/Impeller Speeds	5 speeds
Drive Motors	Commercial-grade hub wheel motors
Drive System	Hub wheel motors featuring zero turn system
Drive Speeds	1 reverse, 4 forward
Max Power	5.6 kW (7.5 HP)
Intake	24" Wide x 20" Tall
Auger Diameter	11"
Impeller Diameter	12"
Discharge Distance	50'
Wheel Diameter	15"
Skid Shoes	Non-marring adjustable
Cleanout Tool	3-in-1
Chute Adjustment	200°
Drift Cutters	Included
Clearing Area	36-Car Driveway (w/ 3 – 8Ah Batteries)

**3-In-1 Cleanout  
Tool Included**

**Drift Cutters  
Included**

**Non-Marring Adjustable  
Skid Shoes**
