# Gift Set Packaging

Our set-up boxes make a great presentation format for your product families - whether they are collections of cosmetics, fashion accessories, or food items. Your customer will recognize the added value of a gift set that comes in a two-piece rigid box.

# E-Commerce Packaging

At Michigan City Paper Box Company, we understand how important it is for your E-Commerce packaging to provide protection for your products while effectively communicating your brand. We also know that the packaging itself is not your biggest expense in an E-Commerce environment. The packaging needs to be lightweight to reduce your shipping costs and needs to be easy to fulfill within your packaging operation to maximize your throughput.

We are the experts in jewelry, candy, subscription, cannabis, mobile phone, promotional products and gift set packaging.

# Green Facts

This year's catalog was printed on paper made with 100% post-consumer waste recycled fibers—saving 33 trees, 14,100 lbs of emissions, 2,600 gallons of water and 13.7 million BTUs.

## Credit Terms

Net 30 days. New customers are welcome to submit at least five trade references for consideration for an open account. It can take four weeks or more to obtain a response to our credit inquiries. Otherwise, to speed your first order, we accept a cashier's check, personal check, Visa/MasterCard, Discover Card or American Express. We will wait two weeks for a personal check to clear before shipping. There is a \$25 service charge for any returned checks.

---

## Return/Cancellation Policy

A 15% restocking charge (\$25 minimum) will be deducted from credit for return of merchandise ordered in error. Charges will be billed for any work performed on custom orders that are subsequently cancelled.

---

## Loss or Damage

All merchandise should be inspected carefully on delivery. We are not responsible for loss or damage sustained in transit. Claims should be made promptly against the carrier. External visible damage must be noted on carrier's waybill at the time of delivery.

---

## Green Facts

All of our boxes are made with 100% recycled cardboard (70% to 90% post-consumer waste) which is the largest component by weight. See our Green Facts on Page 18 for specific information on our other raw material components.

---

## Variations

There may be a slight variation of paper, embossing patterns, or ink colors from order to order and from size to size.

---

## Color Performance

Paper and ink, when subjected to abrasion and/or moisture in use or transit, may rub or bleed. Some dyes, inks and/or base colors may also be prone to fading due to atmospheric or light conditions.

---
