

SIZE GUIDE

- 1 - Print this page at **100%** sizing. *Do not scale the image down to fit your printer, the sizing will not be correct.
- 2 - Cut along the dotted line.
- 3 - Wrap the size guide around your wrist or finger to determine your size.
- 4 - The line labeled "START" will fall in one of the size areas... This is your size!

Please measure based on how you prefer to wear the peice. If you measure tight, it will fit tight - and vice versa.

ADDITIONAL TIPS

- Measure based on how you prefer the product to fit. If you measure tight, it will fit tight - and vice versa.
- If you fall perfectly between 2 sizes, go with the bigger size.
- Bracelet products listed as "one size" fit most people within the "ONE SIZE" zone.
