

Perimeter Series Range Hoods EMG9030 Spec Sheet

FOTILE

A BREATH OF FRESH ENGINEERING®

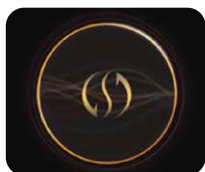

FOTILE EMG9030 Perimeter Vent Range hood is the world's first Auto-Adjusting Range Hood with a powerful modern canopy design. Wall mountable, this premium certified Range Hood offers superior smoke, grease, and odor extraction due to its auto adjusting Capture Shield. The EMG9030 not only offers excellent venting performance, it is also exceptionally quiet so you can have a casual conversation as you are preparing a meal. Best of all, this Range Hood can keep your family safe by monitoring the kitchen air quality and automatically venting out any harmful pollutants from the house if detected. Available in Stainless Steel.
