

PRO STYLE RANGES FOR THE STAY-AT-HOME GOURMET

Gas Slide-In Range with 5 Burners, Griddle and True Convection

MGS30S4AST Stainless Steel

Powerful cooking features combined with elegant, contemporary design describe Midea's new built-in gas range. Use the app and have an alert sent to your phone when the turkey's done*. Choose air fry convection mode and enjoy the taste of fried foods without the excess fat. The edge-to-edge design overlaps your countertop for a seamless built-in look. Available as electric or natural gas.

Air Fry Convection Mode

Enjoy the texture and taste of crispy, fried foods like french fries and wings without excess fat and leftover oil.

Edge-to-Edge Design

Overlapping cooktop gives you the beauty of a built-in while containing spills.

Wi-Fi Capability*

Monitor cooking progress on your smartphone using the app. Get alerts when roasting or baking is complete.

Backlit Knobs with Dial-Tech Oven Control

Quickly and easily control oven functions. Elegant, blue backlighting add a sophisticated touch to your kitchen.

18,000 BTU Power Boil

Sear, quickly stir fry and boil water faster.

Large Capacity

Enough space for your turkey and all the sides. The large 6.1 Cu. Ft. oven features a cobalt blue interior and halogen lighting.

Gas Slide-In Range with 5 Burners, Griddle and True Convection
