CERTIFIED NATURAL AND ORGANIC PRODUCTS FOR YOUR BODY

Developed for sensitive skin types, the MiVeda Body Care Essentials are uniquely aligned to the skin's natural chemistry and are highly suitable for continuous daily use, even on ultra-sensitive skin. Free from artificial colours, these products do not contain biocidal preservatives, SLS, SLES or artificial fragrances (which are the main sources of skin irritation with other cleansing products). All these products are formulated with ingredients which match the oils and amino acids found naturally in the skin. These products utilise the exclusive MiVeda Hydration Complex, (Sweet Almond Oil, Sunflower Oil & Shea Butter), formulated for softness and cellular regeneration. They are also waterway friendly and are readily biodegradable.

Key flower & plant ingredients :

These products contain:

- Nourishing plant seed oil derived moisturisers
- Gentle cleansing foaming agents (derived from Coconut Oil) cleanse, condition and soften the skin
- Organic Aloe Vera freeze dried from the plant pulp to our bottle, guaranteeing the purest actives for soothing and smoothing the skin
- More than 99% plant derived, organically certified and/or wild harvested ingredients
- Seven Nurturing Actives

FEATURES :

BODY & HAND WASH (MIV401)

Hypo-allergenic Cleanser for ultra-sensitive skin

Certified Natural and Organic *Body & Hand Wash* cleansing liquid has been formulated for the most sensitive skin. It is suited for all skin types and all ages. It is particularly effective for gently cleansing skin prone to redness and irritation or dry, sensitive skin types. *Body & Hand Wash* gently cleanses the body without damaging the sensitive balance of natural oils on the skin. In addition, it is neutral pH balanced for the eye, thereby avoiding stinging normally associated with acid pH based body washes.

HOW TO USE IT :

As a Body Wash... Apply a small amount to wet hands, sponge or flannel. Apply and massage gently across the skin. Rinse thoroughly with warm water.

As a Bubble Bath... Pour 2-4 capfuls under warm running water in the bath. Lay back and enjoy!

WHEN TO USE IT :

It is suitable for anyone for everyday use in the shower as a wash, or everyday bath soaker. Can be used on children of all ages.

RESULTS :

It provides effective cleansing and can be for frequent use. It is exceptionally gentle and soothing on the skin. Our no tears formula is as gentle on the eyes as it is on the skin.

RECOMMENDED FOR :

- Delicate, sensitive skin types
- Skin prone to eczema and dermatitis
- Adults and children of any age
- Adds skin hydration to dry skin as you bath
- Gentle cleansing of hyper-sensitive skin
