

# FUTURE HARVEST NUTRIENTS

## Product Data Sheet

## SUPER B+

### DILUTION RATE:

Vegetative & Flowering Crops: *Transplants & Cuttings:*  
2 ml per liter 1 ml per liter

Foliar Feeding: 2 ml per liter

### GUARANTEED ANALYSIS:

Available Phosphate (P<sub>2</sub>O<sub>5</sub>) 5%

Soluble Potash (K<sub>2</sub>O) 3%

Thiamine Hydrochloride (Vitamin B1) 0.1%

Sea Kelp (*Laminaria japonica*) 0.75%

### Derived from:

Potassium Phosphate Monobasic, *Laminaria Japonica* (Sea Kelp)

### GROWTH STAGE:

Rooting  
Transplanting  
Vegetative  
Flowering

### FREQUENCY:

Every feeding. Once  
the plant has been  
established, feed  
twice per week.

### FOR USE IN:

Soil  
Coco  
Hydroponics

Super B+ is a plant vitamin supplement, utilizing vitamin B1 (thiamine) which has been shown by research to have many positive effects on plant growth from assisting rooting, growing, flowering and fruiting to keep plants stress free.

As well as encouraging healthy, vigorous growth, B vitamins are also shown to significantly increase crop yields if used all the way through growth in conjunction with a good food and additive schedule.

Future Harvest's Super B+ is also enriched with sea kelp which is renowned for its many benefits, including stress relief and increased amino acid and protein activity.

## KEY FEATURES

- Effective Super B+ extra strength vitamin formula.
- Minimal effect on EC and pH levels.
- Encourages larger crop yields.
- Increases general crop health and germination rates.
- Insurance against environmental stressors which are common when growing indoors.
- Economical dilution at 2ml per 1L (1ml per 1L for transplants).
- Can be used with all grow media, hydro systems, and any method through all stages of plant growth.
- Use as a foliar application or as a nutrient additive.

| SIZE   | HEIGHT X WIDTH    | WEIGHT     |
|--------|-------------------|------------|
| 500 mL | 7.5 in x 2.5 in   | 1.2 lbs    |
| 1 L    | 9.0 in x 3.0 in   | 2.4 lbs    |
| 4 L    | 12.5 in x 6.3 in  | 9.5 lbs    |
| 10 L   | 14.5 in x 8.5 in  | 23.6 lbs   |
| 20 L   | 16.0 in x 10.0 in | 50.3 lbs   |
| 208 L  | 35.0 in x 23.0 in | 490.7 lbs  |
| 1000 L | 46.0 in x 40.0 in | 2358.9 lbs |
