3-PART FORMULA

Concentrated 3 Part Plant Nutrient System perfect for all grow media including soil, coco and hydroponics.

DIRECTIONS:

- Shake well before using.
- Always mix Micro into your water first before adding Grow and Bloom.
- Allow additional mixing time between each product.
- Always use the three parts together to create a complete nutrient formula. Never combine the nutrients full strength. This can cause nutrient lock-up.

Compatible with most quality brand fertilizers. For best results use the complete line of Future Harvest Nutrients.

Information regarding the contents & levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

MODE D'EMPLOI:

- Bien agiter avant utilisation.
- Mélanger toujours Micro dans votre eau avant d'ajouter Grow et Bloom.
- Prévoyez un temps de mélange supplémentaire entre chaque produit.
- Utiliser toujours les trois éléments ensemble pour créer une formule nutritive complète. Ne combinez jamais les nutriments à pleine puissance. Cela peut provoquer un blocage des nutriments.
