

SUPER B+

FOR MARKETING PURPOSES ONLY

0-5-3

STRESS RELIEF

4L/135.2 fl.oz. (US)
4.2 Kg/9.2 lbs

SUPER B+ is a superb blend of high quality vitamins and minerals in a base of the finest Sea Kelp (*Laminaria japonica*). It will increase overall plant production and reduce shock and stress associated with transplanting.

DIRECTIONS:

- For use with vegetables and ornamentals.
- Once the plant has been established, feed at a rate of 2ml per liter twice per week during the life cycle of the plant

Compatible with most quality brand fertilizers. For best results use the complete line of Future Harvest Nutrients.

GUARANTEED ANALYSIS:
