

# FELTLOOM® Pro

Made in Kentucky, USA  
2-Year Warranty

Available sizes: 36", 48" 60", 66" or 72"

## Features

- 1 **separate** speed controls for rollers/needles
- 2 **forward/reverse** switch
- 3 **dual** motors
- 4 **includes** table & stand
- 5 **432** needles - **864** needles  
72 per board segment
- 6 **3.5 inch** needles
- 7 **47"-84"** long, **56"** tall, **39"** front-to-back
- 8 **electrical** requirements configured as needed

## Description

The **FELTLOOM® Pro Series** features *two* motors that power the needleboard & rollers, allowing the operator to adjust the speed of each independently.

The needleboard is lined with between 432-864 needles that move up & down, and rollers that guide the fibers/fabric through the needles with a maximum output of 3/8 inch.

## Pricing

36" Pro: \$21,840 | 48" Pro: \$27,840 | 60" Pro: \$32,840 | 66" Pro: \$27,840 | 72 Pro: \$42,840

### Dual Speed Control

Two motors independently control needles and rollers which allows for variable roller/needling speeds

### Forward/Reverse

*Forward/Reverse* button reverses the direction of the rollers allowing the operator to remain stationary & increase efficiency 2x.

### Aircraft-grade Build

Aircraft-grade aluminum tabletop; steel frame with locking wheels for ease of movement around your workspace. Comes with a **two year warranty**.

### Maximum Output

Output thickness up to 3/8" (1+ cm) with 3.5" needles (8.89cm), compared to the 36" Lexi maximum output of 3/16" (.5cm).
