KARBN™ SAFETY HELMETS

Klein Tools KARBN™ Safety Helmets capture the look of Klein's popular KARBN™ pattern Hard Hats combined with the innovative features, attributes, and safety standards of the Klein Safety Helmets. With work-at-height safety in mind, these helmets with integrated chin strap, have been tested for top, side, front/back impact, penetration, and lateral deformation. The compact and lightweight design paired with an ultra comfortable six-point suspension system enhances stability and long-term comfort in confined spaces or at-height applications.

Patent-pending accessory mounts [front & back] for Klein Headlamps, Cooling Fan, Safety Lamp

Large, adjustable vents control air flow in both hot and cold weather (60516, 60517 models only)

Universal Accessory Slots for hearing protection, face shields and more.

Reflective Stickers

Padded 4-Point detachable chinstrap for secure and comfortable fit

Visor mounting points

Easy one-handed ratchet size adjustment

Detachable visor for supplemental high-velocity eye protection available in both clear and shaded options. (VISORCLR shown)
