
SMART SENSE EARBUDS

with Bluetooth & Situational Awareness Technology

Safely hear your environment!

KLEIN TOOLS® 

The Klein Tools logo is a circular emblem with "KLEIN" at the top, "EST. 1857" at the bottom, and "TOOLS" in the center. It features a stylized figure holding a tool.

SITUATIONAL AWARENESS EARBUDS

Klein Tools Cat. No. AESEB1S SMART SENSE Bluetooth® Earbuds continuously keep users informed of their immediate surroundings and promote safe communication between co-workers with Situational Awareness technology. Expertly engineered memory-foam tips effectively block out noise up to 26dB while acoustically designed earbuds improve your listening experience with fuller, more vivid sound. Impressive 10-hour runtime on single charge keeps you connected all-day and handy charging case offers an additional 20-hours by conveniently fitting in your pocket or securely clipping to your bag or belt loop via durable carabiner strap

SMART SENSE

Keeps you connected to your environment by compressing high impulse, impact or constant sounds down to a safe level (of 85dB), while low level sounds are amplified to improve communication helping you catch every word. Additionally, the dual omni-directional microphones provide 360 degrees of awareness, assisting in pinpointing exact noise locations.

SOUND AMPLIFICATION FOR CLEAR COMMUNICATION
