

## New & Improved nVent RAYCHEM FrostGuard

**FrostGuard, the leading plug-and-play solution for pipe freeze protection and roof and gutter deicing, is better than ever!**

- **Molded end seal** improves performance, has a slimmer profile, and leaves no gel residue
- **Improved packaging** reduces waste by over 50%, reduces display space by over 15%, and lets you see and feel the product
- **Refillable display** increases visibility and sales velocity (22" x 23½" footprint)

**New molded end-seal (left) vs. RayClic-E end seal (right)**
