

WASHING GEL

SIZE: 250 ML

DETAIL INFORMATION

Cleanliness of your face is the basis for its natural beauty. Skin should be washed with water minimum twice a day. However, water alone is not sufficient because it cannot wash off all the impurities accumulated on the surface of the skin.

In order to effectively and conveniently remove the remains of cosmetics and dirt, we should use the appropriate washing preparations.

The Gel can be used all over the body, including intimate hygiene, to remove make-up and as a shaving gel. Suitable for sensitive skin of babies and children.

The Collagen Washing Gel is meant for any type of skin, at any age, specially for sensitive and dry, needing recovery, firmness and freshness.

The unique composition of this cosmetic guarantees appropriate nutrition and moisturizing for the skin and the specially designed set of washing agents excludes any irritation and makes washing a pleasant.
