

LS027 & LS028 User Guide:

Accomplish Laundry Tasks Using Only Your Voice

This user guide will demonstrate how to utilize your voice for completing everyday tasks.

Activate Fairy through voice command

To begin, simply say "Hi Fairy" to activate it.

Once voice control is activated, you can issue commands to accomplish your tasks. For instance, you can say "Hi Fairy, turn on the light" or "Hi Fairy, come down please."

Fairy will promptly respond to your command and complete the task, providing a response.

Note: Please speak slowly and clearly.

Command List

Here are some examples of tasks you can get done with your voice:

- Turn on the light
- Turn off the light
- Come down please
- Stop please
- Go up please
- Turn on the blower
- Turn off the blower
- Turn on the heater
- Turn off the heater
- Turn on UV light
- Turn off UV light

To learn more about voice control, feel free to contact our customer service team via WhatsApp at +65 8810 1828."
