Dear Valued Customer,

Please be advised that the NIJ has issued Advisory Notice #02-2018 which temporarily suspends the Quantum Level II Female (Model Designation QTMF-B-II) from the NIJ Compliant Product List pending the results of an ongoing evaluation.

This issue stems from inconsistencies experienced during the NIJ's Follow-up Inspection and Testing (FIT) of this model. We are in the process of providing a corrective action report to the NIJ and we are hopeful that this matter will be resolved soon.

Per the FIT test requirements, we are providing you with the enclosed Advisory Notice. Please note that **you should continue to wear your Quantum while this evaluation is ongoing.**

Should you have any further questions, please do not hesitate to contact our Customer Service Department by calling 1-866-357-3845 or (231) 544-6090.

Thank you,
