

KitchenAid®

HAND MIXER FLEX EDGE BEATER 5KHMFEB2

The Flex Edge Beaters deliver 2X the surface area for faster, more thorough mixing, and also reduces the need to scrape down sides of the bowl, when compared to metal beaters. Flex Edge Beaters designed for all *KHM3, *KHM5, *KHM6, *KHM7, *KHM9, and *KHMB7 KitchenAid Hand Mixer models.

**Sold separately.*

KitchenAid®

HAND MIXER FLEX EDGE BEATER 5KHMFE2

QUICKER, MORE THOROUGH MIXING WITH FLEX EDGE BEATERS

- Specially designed flex edge beaters deliver 2x the surface area for faster, more thorough mixing.*
- Designed for KitchenAid Hand mixers.
- Reduces the need to scrape down the sides of the bowl, when compared to metal beaters.

IMPROVED PERFORMANCE

- Flex Edge beaters increase contact with the bowl for better mixing performance.*

REDUCED SOUND AND VIBRATION WHEN MIXING

- Compared to our metal beaters our Flex Edge design reduces sound and vibration when mixing.

DISHWASHER-SAFE BEATERS FOR EASY CLEAN UP

Wipe the hand mixer clean with a damp cloth.

**Compared to our metal beater accessories when mixing cake batter and frosting.*
