Daiwa Massage Chair by U.S. JACLEAN, INC.

DaiwaCare™

TOTAL-BODY AIRBAG MASSAGE

MANUAL 🕙 10:00

60 powerful airbags rhythmically inflate and deflate for a total-body massage treatment. Enjoy a deluxe compression leg and foot massage.

12 AUTO PROGRAMS

4D MASSAGE ROLLERS

The Hubble Plus features next generation 4D massage rollers, which apply pressure from every direction with variable speed that truly mimics the human touch. The 4D SmartScan technology maps your back at the start of each massage to closely follow your natural curve.

EXTENDED REACH S-TRACK AND L-TRACK

Get the benefits of an extra-long L-shaped and S-shaped massage track that follows the shape of the spine. This track runs from the top of the shoulder to the glutes reaching a length that is double that of a standard massage chair while maintaining a natural spine shape.

BLUETOOTH WIRELESS SPEAKERS

Connect to your music player via Bluetooth and add the benefit of music therapy or guided meditation to your massage.

PHONE HOLDER AND WIRELESS CHARGING

Two Wireless chargers give you easy phone access and keeps it charged!

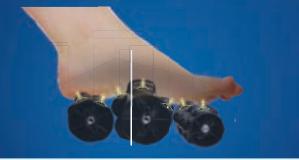

QUICK ACCESS **ARM CONSOLE**

Enjoy the ability to make **quick** and easy adjustments to your massage with just one touch.

TRIPLE REFLEXOLOGY FOOT ROLLERS

Based on the principles of reflexology, the foot rollers activate special nerve endings on the heel, arch, and toes to relieve pain, massage inflammation, and renew overall vitality.

ZERO GRAVITY

The Zero Gravity position shifts the recline angle, evenly distributing body weight and reducing pressure on joints and organs. You'll experience a floating sensation that over time reduces chronic pain.

Position 1 Removes all stress on the muscles to achieve a weightless feeling.

Position 2 Elevates the legs above the position of the heart.

HUGGE

The Hubble Plus' innovative wall hugger design uses a pivot-base system that requires very little space to recline. You can **position your Hubble** Plus nearly against the wall and still enjoy the full recline position!
