ADJUSTABLE FOUNDATION

### TECHNOLOGY

#### **Equipped with Bluetooth® for use with our app.**

Control the bed from your smartphone using the new and improved Reverie Nightstand™ app.

#### **Smart alarms.**

Set alarms for your favorite settings. Wake up with a soothing massage to a smooth, stress-free morning.

### COMFORT

#### **From head to toe.**

User-friendly programmable positions with near-infinite settings that can be set and stored. This includes power base positions and massage settings. These automate with your smart device to make for the ideal sleep experience.

#### **Set routines and forget it.**

Set customized routines on your phone to run over a period of time that automatically update 3D-Wave™ settings at programmed time intervals. This allows you to operate your bed without using a remote.

### RELAXATION

#### **The most advanced massage.**

Reverie's proprietary 3D-Wave™ massage technology advances the level of furniture massage tremendously. It is quiet, soothing and dimensional, working seamlessly with the Nightstand™ app. 3D-Wave™ provides unbeatable comfort with four wave modes, 10 intensity levels, and a whisper-quiet motor. According to a recent university study, people who used 3D-Wave™ massage at bedtime for 30 minutes woke up happier and reported feeling more alert throughout the day.

Reverie Nightstand™ app available in the App store for operating the base with Apple devices. Includes 'Raise Awake' alarm function, more programmable positions and customized routines.
