Our Story

At 26, Leah was diagnosed with thyroid cancer, and decided to heal holistically, without surgery.

After abstaining from alcohol for three years and following a vegan diet, Leah was healed and ready to enjoy alcohol again. But she found the market lacking in health conscious options that fit her new lifestyle.

Leah and her team created SOCIAL to provide a beverage that empowers people to enjoy alcohol and "be social" but still wake up with the energy to share their talent with the world.
