Stay healthy, energized & fog-free on the slopes!

Snowgrrl.com – January 15, 2016

Oxygen! My friends from California and NYC recently tried samples of Oxygen Plus that were provided to Snowgrrl.com for review. Coming from a low altitude, there were a bit winded skiing the slopes of Vail, Colorado. The verdict: Helped with recuperation from the exertion and strain of the slopes.

O+ Skinni Pink Grapefruit – 3-pack – Oxygen Plus

**Products to help you stay healthy,
energized & fog-free on the slopes
compliments of snowgrrl.com**
