Part No. 11032, 32 fl. oz - 946 ml, 6/case - Net Wt. 15 lbs.

DESCRIPTION:

WIZARDS® METAL RENEW™ is an easy-to-use liquid polish that will restore, shine and protect most types of metal surfaces*. This product is designed to give the highest luster possible requiring the least amount of effort.

BENEFITS:

METAL RENEW™ will melt away rust, tarnish and oxidation, leaving behind a high-gloss protective finish. It is excellent for restoring and maintaining a "like new" look on neglected wheels, exhaust parts, accessories, truck tanks, marine bright work, motorcycle components, household items and more. Use METAL RENEW™ to brighten aluminum, stainless steel, brass, bronze, copper, nickel, magnesium, chrome*, silver* and gold*.

WIZARDS® METAL REFINE™ SHOW POLISH

PART NUMBERS & SIZES:

Part No. 11025, 8 fl. oz. - 237 ml, 12/case - Net Wt. 8 lbs.

DESCRIPTION:

WIZARDS® METAL REFINE™ will restore, finesse and refine billet, forged and fine cast aluminum, brass, bronze, copper, nickel, magnesium, chrome, silver* and gold* to a show finish without scratching.

Use on wheels, metal trim, mirrors, engine accessories, exhaust, motorcycle components, marine bright work, household items and any other polished metals.

* Not recommended for costume jewelry.

FEATURES:

- ♦ Fast cut application.
- ♦ Easy to apply and remove.
- ♦ Brightens aluminum instantly.
- ♦ Leaves a high-gloss, mirror-like finish.
- ♦ Gentle abrasive polishes without scratching.

** Not recommended for thinly plated metals or show chrome. Always test product on a small inconspicuous area before full application. For show chrome, use MIST-N-SHINE® #01214 with the MULTI-FIBER™ CLOTH #11420.*

HOW TO USE:

Shake if needed; work small areas at a time rubbing back and forth. Buff off residue with a microfiber cloth, flip cloth and buff to a show gloss. For quick touch ups wipe onto surface with a clean cloth and buff dry. *Not recommended for costume jewelry. Always test on a small inconspicuous area before full application. MIST-N-SHINE® #01214 is also recommended for polished metals and select show chrome.

HINT: For fine metal finishes, use METAL REFINE™ for a show finish without scratching.
