## PART NUMBERS & SIZES

### PART NUMBERS & SIZES:

Part No. 41003, 32 fl. oz. - 946 ml, 6/case - Net Wt. 15 lbs.  
Part No. 42003, 1 Gal - 3.785 liters, 4/case - Net Wt. 36 lbs.

## DETAILING • CLEANING • PROTECTION

### DESCRIPTION:

WIZARDS® SELECT PRO™ ULTRA FINE ③ Machine Finish is the ultimate fine finishing glaze to achieve the highest gloss “perfect” show finish. Removes all swirl marks and micro light scratches from all dark color paint/clear types, fresh or aged; the final step to the Select Pro System and an ideal follow-up to all cutting compounds. Superior results with rotary, orbital D/A polishers, or by hand: Award winning Ultra Fine finishing.

### BENEFITS:

ULTRA FINE is an extremely fine finishing polish with a light cut/ polish for universal final step use on all paint types. Removes mild to light swirls to perfection. An absolute must for show paint. Extended working time with no powder residues.

### FEATURES:

- Quickly removes fine swirls.
- Show quality gloss on black.
- For all paint types.
- Easy clean-up.
- Use with light blue finishing pad.

### HOW TO USE:

Starting with a clean, cool surface, apply ULTRA FINE generously using a WIZARDS® #11314 BLUE FOAM PAD. Slowly buff/spread in a 2'x2' area, then increase to run rotary buffer at 1000-1500 RPM holding pad flat to the surface and moving slowly using little to no pressure. Clean pad with a nylon brush as needed and never dry buff; always finish leaving a wet residue. Remove all residues with a fresh, clean microfiber cloth and inspect before moving to the next panel. Detail finish to a super slick gloss with #01214 MIST-N-SHINE® using a fresh, clean microfiber cloth.

**ORBITAL D/A DIRECTIONS:** Apply Ultra Fine generously to full face of wool or foam cutting pad. Hold pad flat to surface and spread across a 2'x2' section using light to moderate pressure with 3-4 slow passes. Add drops as needed once pad is seasoned and wet. Clean face of pad with nylon brush as needed. Never dry buff; finish leaving a wet residue to protect against dry wiping with the cloth.
