SNOW FOAMING ACTION

WIZARDSPRODUCTS.COM · COMPLETE PRODUCT INFORMATION

FEATURES:

- ♦ Ultra Cling Suds
- ♦ Lubricating Foam
- ♦ Scratch & Streak Free
- ♦ Removes Dirt & Grime
- ♦ pH Safe on All Surfaces
- ♦ Foam Cannon or Bucket Use

HOW TO USE:

Vehicle should be dry and cool. Prep foam cannon: Add 2 oz “Max Foam Wash” to 28 oz water (1:14 ratio) then stir or shake to mix. Connect your pressure washer and spray a slow uniform thick layer of foam with overlapping passes. Maintain about a 3-foot distance starting from the bottom of vehicle. Allow to dwell several minutes, then fully rinse all foam and dirt away. If road film remains, re-foam and gently wipe with microfiber mitt or use standard bucket washing method. Then dry with a WIZARDS® Drying Towel #36201.

HINT: For off road vehicles, pressure wash off heavy mud before using Max Foam Wash.

DETAILING · CLEANING · PROTECTION

DESCRIPTION:

WIZARDS SELECT® Super Concentrate Max Foam Wash produces huge amounts of pillow foam; these lubricating suds cling to soften and protect your paint from wash induced scratching before high pressure rinsing. Best snow foam is produced with a quality foam cannon but excellent results are also achieved with a foam gun or bucket use. Gentle, thorough cleaning removes dirt and grime while preserving your wax, sealant or ceramic coating. Streak free rinsing assures quick drying and maximum shine. Great for washing Autos, Street Rods, Motorcycles, Boats, ATVs, Dirt Bikes, Off Road Trucks & More. Safe on all surfaces to attack and remove dust, soot, dirt and mud.

BENEFITS:

- ♦ Thick pillow foam clings longer to soften and release grime
- ♦ Rinses off easy for faster drying - without streaks
- ♦ Use with all wash methods; Foam Cannon, Foam Gun, Grit Guard Bucket
