

Grow Food for Good

Application and Contract

Please print clearly in all areas. Note deadlines for this form, under each partnership below.

Name of Organization or Individual: _____

Address (street, city and zip): _____

Contact person, phone number and email: _____

Please check the box next to the Grow Food for Good (“GFG”) opportunity you wish to partner in:

Produce production partnership, we ask that this form be completed and signed by June 1st:

- Kinship Farm provides a senior home or church with the installation of a planting bed to feed local residents and donates, through GFG, any excess to a local pantry.
- Through GFG’s pickup and delivery services, donate any part of your existing home/farm fresh produce production to a local food pantry.
- Contact other local home/farm produce growers who are willing, through GFG’s pickup and delivery services, to donate fresh produce production to a local food pantry.

Egg production partnership, we ask that this form be completed and signed by March 21st:

- Raise baby chicks with your kids, grandkids, or students. Grown chicks will then be donated, through GFG, to a local home/farm who will, through GFG, contribute at least half of their egg production to a local food pantry. We select and provide your family with six chicks, the necessary feed, grit, housing, water bottle, feeder, heat lamp and bedding. You raise the chicks indoors for approximately 5 months (from around April to September), in your home, garage, classroom, or church. You promise to keep the chicks inside with clean bedding and freshwater. You may appropriately name each, regularly and gently hand-cuddle them so they become friendly, well socialized chickens.
- Accept grown chicks into your home/farm flock and then, through GFG, donate at least half of their egg production to a local food pantry (grown chicks will be free but NO supplies will be provided).
- Through GFG, donate any part of your existing home/farm flock egg production to a local food pantry.
- Contact other local poultry growers who are willing, through GFG, to donate any part of their existing home/farm flock egg production to a local food pantry.

Liability Waiver: By submitting this GFG Application and Contract and participating in the GFG program, you agree to indemnify and hold harmless Kinship Farm Corporation and Jostyn Family Farm, LLC against any and all claims arising from property damage or personal injury of any kind within the raising of the chicks to chickens. You understand you are volunteering to participate at the sole risk of yourself. All volunteers/participants also grant permission to the rights of their image, likeness and sound of their voice in any audio, video, or photographic recording during the raising of the said chicks, which recording may be edited, copied, exhibited, published or distributed, without payment or any other consideration. Volunteers/participants waive the right to inspect or approve the finished product where their likeness appears.
