## INTRODUCTION

It's rightly said; a support system specially designed while keeping the camera in mind can increase the functionality of that camera like no other. Our Camtree Hunt Camera cage for Red Scarlet /Epic (CH-RSE-CC) proves this very well. Not only it **protects the camera** from the rigors of production but also converts it into a **full fledge production tool**. This Robust Cage with top handle enables **easy & comfortable handheld operation**, allows **attaching various accessories** for more possibilities on professional front & **expands to a production rig kit easily**.

## IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

Base Plate

Cage Brackets

Top Handle

EVF Mount

Dovetail Plate for  
tripod mounting

Top Plate +15mm Rod  
Adapter

200mm rods

300mm rods

## ASSEMBLING YOUR CAMERA CAGE

- Attach the camera with base plate and then attach base plate with dovetail plate

- Then attach the quick release plate with dovetail plate and mount it on tripod. Tighten the knobs to secure it well.

- Attach the Cage brackets to the base plate and tighten it well with allen key. Then attach the top plate with 15mm rod adapter with cage brackets

- After attaching the top plate, tighten well the screws on cage brackets

- Now slide the top handle on 15mm rod adapter and tighten the knob to secure it.

- Insert 200mm long aluminium rods into 15mm adapter holes on top of the cage and tighten the knob.

- Similarly, insert 300mm long aluminium rods into the 15mm rod adapter of base plate and tighten the knob.

- In order to mount an EVF to your cage, attach the EVF Mount on top 200mm long aluminium rods and tighten the knob.

**YOUR CAMTREE HUNT CAMERA CAGE  
ALL DRESSED UP AND GOOD TO GO**

**(SHOWN WITH OPTIONAL ACCESSORIES)**

## **WARRANTY**

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
