INTRODUCTION

FILMCITY V1 Follow Focus is flexibly designed light weight equipment allowing a camera operator to work indivertibly and be more precise and efficient. This Follow Focus unit is used to simplify and enhance the focusing technique.

IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

V1 Follow Focus

Speed Crank

Gear Belt

Our **V1 Follow Focus** is supported on the system rails and operates by engaging the lens gear. This system allows for greater focus control and when using the crank, direct hand contact is eliminated.

The white marking disk allows the focus puller to set repeatable focus points.

FOLLOW FOCUS COMPONENTS

The Follow Focus is applied to the rail system and camera with the help of gears. You will also receive a flexible gear ring. that can be used to a wide range of lens diameters, works on any prime or zoom lens.. It comes with gear locking housing.

SPEED CRANK - when inserted in the FILMCITY Follow Focus standard accessory port, it provides remote operation of the focus control. It can also be used with a number of other Follow Focus units.

ASSEMBLING OF V1 FOLLOW FOCUS

- Wrap the Flexible gear ring over your lens focusing ring. Tighten the gear properly with provided screw.

- Insert the V1 follow focus on 15mm rods by loosening the side knobs, after mounting tighten the side knobs to secure properly.
- Adjust the Follow Focus lightly to make contact with the gear ring attached to the Camera.
- Adjust the Follow Focus horizontally according to your lens by marked Knob.

Note: You can use Crank for better focusing results.

YOUR V1 FOLLOW FOCUS IS READY TO GO

WARRANTY

We offer a limited time warranty for our products. For Mechanical products we provide a 6 month warranty & for electronic products we provide a 3 month warranty from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.
