■ Welcome To Flycam!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Flycam family.

By purchasing your Flycam Arm Brace support, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Flycam Arm Brace support , we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,
Flycam Team

■ Introduction

Flycam has designed its adjustable fit Arm Brace support for the operator's using video stabilizers for long hour shooting. It provides cushion comfort that reduces the arm fatigue, stress & strain and evenly distributes weight over the entire forearm. It allows freedom for panning, tilting, booming or running, ground revealing shots without any camera shake. Now you can glide your camera stabilizer to create smooth videos shots.

■ What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Arm brace foam padding with metal arm support.

■ Assembling

- Open the elastic straps and Attach the Metal Arm Support & cover with elastic straps on side 2.

- Then open the Velcro Straps and Place your arm on Metal Arm Support base as shown.

- Now wrap the arm brace around your arm and Join all the elastic straps of side 1 with the base Velcro.

- Tighten the Velcro straps to securely fit the arm brace to your arm but not enough to prevent proper circulation. If comfortable, your arm brace is now ready for use.

YOUR FLYCAM ARM BRACE SUPPORT ALL DRESSED UP AND READY TO GO!

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
