

Instruction Manual

2D Dual-Axis Video Camera Slider (SL-245-00)

Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim 2D Dual-Axis Video Camera Slider, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new 2D Dual-Axis Video Camera Slider, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Proaim Team

Introduction

What if you could build projects quicker, easier & with more versatility than you ever imagined? Proaim brings you its first completely integrated 2D Camera Slider - a dual linear motion framing system. With this affordable slider, you end up with two sliders in one, and the range of possible camera movement expands exponentially as you're not limited to a single axis anymore. This strong, inexpensive & simple to use video camera slider allows you to capture 2-Axis motion Horizontal & Vertical, with ease. This dedicated system provides smooth, precise and amazing results.

What's In The Box

Please inspect the contents of your shipped package to ensure you have received all that is listed below.

- Base rail
- Top rail
- Rail Jointer
- Camera plate
- End Feet
- Bag Packing

FOR SINGLE SLIDER

Attach the base rail on tripod stand (Not Included) .

Loosen the bolts and remove the end plate of the top rail.

 Slide the top rail into the rail jointer as shown in the image.

• Again attach the end plate with the top rail and tighten the allen bolts.

 Tighten the knob to keep the camera plate stable at one place.

• Now screw-in your fluid head (Not Included) onto the camera plate then mount your camera .

FOR SINGLE SLIDER

 Attach the base rail on tripod stand (Not Included) as per your requirement.

 Loosen the bolt and remove the end feet from the base rail.

 Loosen the knob and remove the rail jointer plate.

• Slide the camera plate into the base rail and tighten the knob then attach your end feet and tighten with the help of allen key.

• Mount camera set up onto fluid head properly.

YOUR PROAIM 2D DUAL-AXIS VIDEO CAMERA SLIDER ALL DRESSED UP AND READY TO GO

(SHOWN WITH OPTIONAL ACCESSORIES)

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
