INTRODUCTION

Proaim 3ft Line Slider is specifically designed with versatility and simplicity in mind, allowing the end user to maximize their creative potential. It combines the most practical industry features and options which makes it a versatile slider. The slider allows your camera to have a smooth and wobble-free sliding motion when mounted on tripod or placed on a table top. It can add precise control to any camera to create a wide variety of stunning footage!

ASSEMBLING YOUR VIDEO CAMERA LINE SLIDER

- Attach the feet of both ends and adjust the feet as per your requirement.

- Now screw-in the fluid head (Not Included) onto the camera mounting plate of the slider tighten the silver knob .

- Now push the side button of Fluid Head and remove the Quick Release Plate and then Secure your camera on Quick Release Plate with the help of screw driver.

- Insert the Camera Setup on fluid head and tighten the knob to secure it properly.

- Loosen the silver knob of camera plate completely and remove the camera plate from the slider.

NOTE:

1. If you are having 1/4"-20 threaded fluid head or camera then unscrew the 3/8"-16 screw from the camera plate and screw in the 1/4"-20 screw .

2. If you would like to use heavy setup, attach the third end foot in the center of slider as shown.

YOUR PROAIM VIDEO CAMERA 3FT LINE SLIDER ALL DRESSED UP AND READY TO GO

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we donot supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
