■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Extension Arms for Flexi Rig Pro & Camera Gimbals, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Extension Arms for Flexi Rig Pro & Camera Gimbals, you have just joined a host of designers, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Proaim Team

Introduction

Proaim Extension Arms can be used for an extensive range of video applications, when used with Proaim Flexi Rig Pro and 3-Axis Camera Gimbals. Proaim Arms offer greater movement range to your Gimbal. These are extremely durable, ensure lifelong usage and are made to withstand payload up to 15kg/33lb with high-grade CNC aluminum construction.

What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Proaim Extension Arms

Assembling

NOTE: Loosen the bolts on shoulder pad of Flexi Rig Pro (Not Included) and remove the rod clamp as shown in image.

• Attach Extension Arms by tighten bolts with the help of allen key.

 Screw-out both end screws from both the Extension Arms.

 Now insert bungee Elastic Cord through the slots in jacket of Flexi Rig Pro and attach with Extension Rod by screwing-in the end screw.

 Unlock the lever knob on back side of Extension Arm and adjust its length according to your setup requirement, with the help of provided knob on the jacket (Not Included), as shown in image.

NOTE: The length of Extension Arm can also be adjusted from the front side as well.

 Unlock the lever knob and increase the length of Arm at the front side of jacket (Not Included).

YOUR PROAIM EXTENSION ARMS FOR FLEXI RIG PRO ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
