PACKING LIST

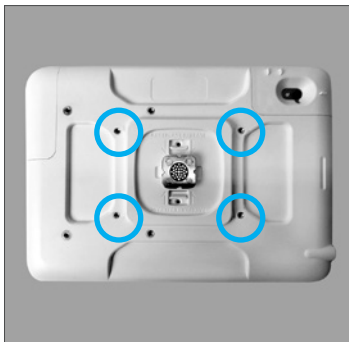

ASSEMBLY INSTRUCTIONS

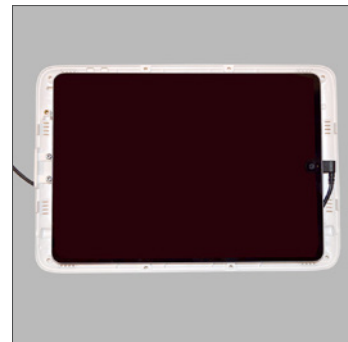

1. If you selected **portrait orientation**, your arm mount points are circled in the photo to the left.

4. If you are installing the Keyboard Mount onto a P Head, use the circled arm mount points shown here.

2. If you selected **landscape orientation**, your arm mount points are circled in the photo to the left.
NOTE: If you selected both portrait and landscape, all of the mount points circled in the two photos in step 1 and 2 will be available.

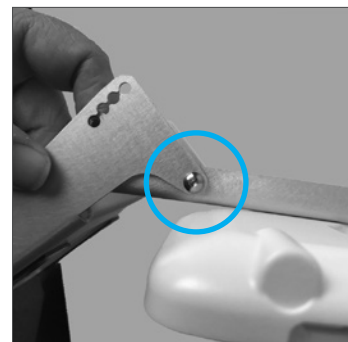

5. **Install your tablet** into the Head Unit and the Head Unit onto your Kiosk Mount.

Refer to your lilitab Head owner's manual for tablet installation instructions and your lilitab Mount owner's manual for instructions on attaching the head unit.

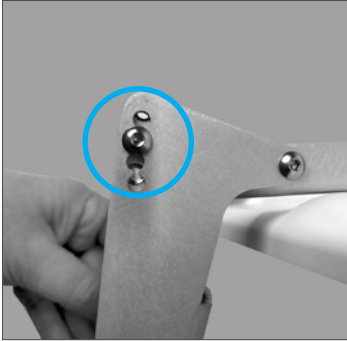

3. **Attach the Keyboard Mount arms** to the rear of your enclosure using the **four (4) m4 x 10mm long screws**. Use the appropriate mounts points for portrait or landscape noted above (landscape shown).

6. **Install the Keyboard Tray** onto the arms, using **two (2) m4 x 6mm screws**.

ASSEMBLY INSTRUCTIONS

- 7. Find the ideal angle** for your Keyboard Mount and fasten, using **two (2) m4 x 6mm screws**, as shown here.

- 8.** Peel the protective backing off the VHB tape, center your keyboard and press down firmly.
