

Products List

No. 301908

HISTOLAB is committed to bring the celebration of individual's beauty based on hypoallergenic skin care with plant derived ingredients. Providing the defense line of the skin and skin renewal activity, HISTOLAB hopes to deliver radiant and vitalized look and improve the daily life of each individual.

HISTOLAB
HISTOPLANT CELL LABORATORY

SKIN SCIENCE SPECIALIST

HISTOLAB is a cosmeceutical brand based on advice and know-how of dermatology specialists. Our own patented ingredient with Plant Callus Culture Extracts and Growth Factor Complex is contained as a special formula.

History

2018 Develop
HISTOLAB acquired china hygiene permission for 20 species of products from CFDA

Participate in Global Exhibitions
2018 CIBE (Mar. China)
2018 DUBAI DERMA (Mar. Dubai)
Sponsorship 5th International Skin Care Contest in China by Shanghai HISTOLAB Co.,Ltd.

2017 Establishment
Established MEDIANS Co.,Ltd – China General Corporation (Shanghai HISTOLAB Co.,Ltd.)
Expansion of laboratory in the company <Skin Science Lab>
Participate in a state visit to China for an economic mission for MEDIANS Co.,Ltd.,
Develop and Launch
AHOHAW – Aesthetic special brand Launching

2016 Establishment
- Shanghai, China Branch Open
- Production Factory <MEDIANS LAB> Open in Korea
Develop and Launch
Advanced Concept Peeling LATTE PEEL Launching
Hyaluron Acid Filler VOLRERO Launching
THERAPY MASSAGE OIL & CREAM Launching
Certificate of Patent (10-1679310)
Skin soothing cosmetic composition with growth factor complex
Participate in Global Exhibitions
2016 CIBE (Mar. China)
2016 CIBE (Sept. China)
2016 K-Beauty Expo (Sept. Thailand)

2015 Establishment of Branch Office in Korea
- Daejeon, ChungCheong Branch
Develop and Launch
Launch of Naturalism-Oriented Cosmetic brand<Algonani>
- 'Miracle Magic Foam' (having a non-chemical surfactant),
'Moisturizer', 'Neck Mist' Achieved nationwide sales up to 8,500 clinics in Dermatology and Cosmetic Surgery
Overseas Partnership
Planning to distribute to Mexico, Colombia, Brazil, Germany, Italy, France, Japan
<PROUD MARY> Starting to export to Turkey, Canada, Lithuania
Participate in Global Exhibitions
2015 Beauty Eurasia (April. Turkey)
2015 CIBE (Sept. China)
2015 Cosmoprof Asia (Nov. Hong Kong)

2014 Establishment of Branch Office in Korea
- Busan, Gyeongnam Branch
- Daegu, Gyeongbuk Branch
Develop and Launch
Launch of Medical Cosmetic Home Care Brand<PROUD MARY>
Establishment of laboratory in the company <Skin Science Lab>
Acquired Certificate of Application for a Patent (2014-0147594)
(For cosmetic composition for skin regeneration and skin soothing comprising novel peptide and growth factor complex)
Achieved nationwide sales up to 7,000 clinics in Dermatology and Cosmetic Surgery
Overseas Partnership
Distributorship contract for Singapore, Malaysia
Distributorship contract for Vietnam
(Product Registration on MOH of Vietnam)
Distribute to Canada / Turkey
<PROUD MARY> Starting to export to Philippines

2013 Develop and Launch
Mass market skin science brand **C:Lab**
Sun-Bye mist (Spray-on sunscreen)
Sunshine Blemish balm
Chemical Peeling + Physical Peeling machine <AQUA LAB> Launching
Revolutionary complex ampoules 4types

Overseas Partnership
Distributorship contract for Cambodian market
Distributorship contract for Taiwan market
Distributorship contract for Iranian market
Distributorship contract for Philippine market
Distribute to Lithuania, Hungary, the Czech Republic, Hong Kong, USA
Participate in 2013 Korean Obesity Research exposition
Media promotion – "Medical S" – Specialized dermatologic, aesthetic magazine
Philippine partner elaborates "HISTOLAB" launching show at Cebu, the Philippines
Achieve nationwide sales up to 6,000 clinics in Dermatology and Cosmetic surgery

2012 Change Company Name <MEDIANS Co.,Ltd.>
Anti-hair loss and scalp care solution <HISTEMO> - 5 types of Professional use and 3 types of Personal care use Callus Stempeel solution AHA100, BHA100, PHA100
VITAL SCIENCE 5 types Launching
Cream mask 3types Launching
Renewal of < WHITE SCIENCE>< AGE SCIENCE>
Participate in 2012 BIO TAIWAN CONFERENCE
ISO9001 / ISO14001
Overseas partnership
Distributorship contract for Russia and CIS region
(Obtained Technical Regulation Declaration of conformity and State Registration Certificate)
Distribute to Vietnam, Cambodia, Singapore, Japan, China, Australia

2011 Develop and Launch
Hospital equipment, apparatus online mall <Doctor mart>
Achieve nationwide sales up to 4,000 clinics in Dermatology and Cosmetic surgery

2010 Develop and Launch
ACNE, AGE, AQUA, ATO, WHITE SCIENCE
Smart Iontophoresis beauty machine 'SONOZYME'
Distribute Full line of Italian aesthetic brand <HISTOMER>

2009 Distribute & Develop & Launch
Italian aesthetic brand <HISTOMER>
- A Full line of 'HISTOMER VITAMIN-C'
German cosmeceutical brand <DADO SENS>
- ACNE and ATOPY
UK brand <FINE FRAGRANCE>
- VITAMIN K CREAM
Established Cosmeceutical brand [Plant stem cell culture solution] <HISTOLAB>
POST LASER HISTO CELL CREAM, FADE OUT HISTO -K CREAM and 19 types Develop & Launching
ION-TO machine 'VITAL ION III' and 3types Develop & Launching
'IONTO C, V, P' solutions Develop & Launching
Achieve nationwide sales up to 3,000 clinics in Dermatology and Cosmetic surgery
BIO STEM CELL Ampoule Develop & Launching
Establish a strategic alliance with HNF for supplying medical equipment, medical consumables

[MEDIANS Co.,Ltd own Patent "SRGF H₁ COMPLEX"] Certificate of Patent No.10-1679310

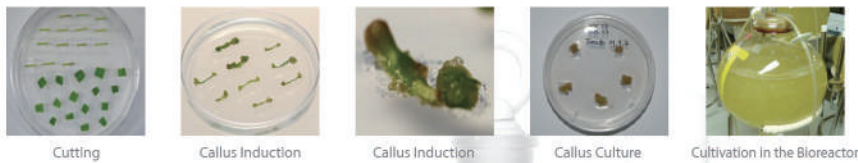

Skin regeneration Growth Factor Histolab First Complex

For cosmetic composition for skin regeneration and skin soothing
comprising novel peptide and growth factor complex

MEDIANS Co.,Ltd. finally registered the patented composition named "SRGF H₁ Complex" after years of painstaking research for vital and healthy skin. SRGF H₁ Complex is a new complex composition containing new peptide and every kinds of Growth Factor that are related to a rank of Amino acid. It helps soothe a tired and weak skin rapidly from external some irritation and improve the skin elastically and healthily.

Tomato Callus Stem Cell Extract

BASIC SCIENCE

It is a hypoallergenic and nutrition rich clinic professional skin care formula designed to offer intensive care solution for all skin types based on Growth Factor Complex, Bio-Placenta, Pytosterol, Argireline, as well as plant callus stem cell which has cellular reconstruction and metabolism properties.

01.

IONTO C (M-A-P POWDER)

Vitamin C Special Solution

Magnesium Ascorbyl Phosphate is a water-soluble, non-irritating, stable Vitamin C derivative. A pure Vitamin C with optimum level of pH promotes the synthesis of Collagen which leads to decrease of wrinkle depth and the production of Melanin.

M-A-P(Magnesium-L-Ascorbyl-Phosphate) Powder

1. The first Original Vitamin-C powder applied to Iontophoresis in the world
2. Optimum level of pH reduces irritations and rubescence
3. A sole pure Vitamin C can be absorbed into dermis
4. The efficacy on anti-aging (stains and freckles) has proved by Dr. Suzuki Harue
5. Its efficacy is also acknowledged by JAAD (Journal of the American Academy of Dermatology)

[Main Ingredient] **M.A.P**(Antioxidant / Collagen composition / whitening), **Ascorbic acid**(Collagen composition / Melanin synthesis inhibitory), **Arbutin**(Melanosome maturation arrest / Skin lightening)

[Capacity] 1.5 g X 50 vials

[How to Use] Dissolve Ionto C (M.A.P Powder) in 20cc of purified water and use Iontophoresis or Cryocell machine by (-) current for the maximum absorption. It is recommended to use 3cc-5cc for each treatment. Protection from UV rays must be followed after applying Ionto C (M.A.P Powder).

* Best Use Time in 7days with cold storage after opening and mixing with water (Best time in 1day after mixing with IONTO P or IONTO V)

02.

IONTO P (BIO PLACENTA)

Benefits of Bio-placenta include stimulation of skin generation, elasticity on the skin with moisturizing and decrease of skin dryness. Suitable for dry and sensitive skin with no electric irritations.

1. Optimized Solution for Iontophoresis treatment.
2. Suitable for sensitive skin with no electric irritations for Iontophoresis.
3. Offers abundant of moisture and nutrition with botanical bio-placenta.

[Main Ingredient] **Soybean Bio-Placenta**(Facilitation of epithelial cell division / decrease of fine lines / moisturizing), **Citrus Junos Fruit Extract** (Nutrition supply), **Hydrolyzed Corn Protein**(Moisturizing)

[Capacity] 20 ml X 50 vials

[How to Use] Massage entire face gently with 3cc-5cc of ION-TO P saturated gauze attached to the galvanic stick for Iontophoresis or Cryocell machine and penetrate ION-TO P into the skin with (+) current or mix with ultrasonic gel and penetrate with ultrasonic head device.

* Best Use Time in 10days with cold storage after opening.

03.

IONTO V (MULTI VITAMIN)

Peptide Special Solution

Total solution designed to activate skin regeneration and elasticity with skin lightening effect with E.G.F and many kinds of Peptides.

[Main Ingredient] **Sh-Oligopeptide-1**(Facilitation of epidermal cell growth), **Arbutin**(Vitalizing / Melanin synthesis inhibitory), **Palmitoyl Pentapeptide-4** (Facilitation of epidermal cell growth), **Acetyl Hexapeptide-8**(Elasticizing), **SRGF H1 Complex**(Soothing / Moisturizing)

[Capacity] 20 ml X 50 vials

[How to Use] Massage entire face gently with 3cc-5cc of ION-TO V saturated gauze attached to the galvanic stick for Iontophoresis or Cryocell and penetrate ION-TO V into the skin with (-) current.

* Best Use Time in 10days with cold storage after opening.

04.

BIO STEM CELL AMPOULE

Revolutionary concentrate anti-aging essence/ampoule contains high-enriched HISTO plant stem cell which facilitates epidermal renewal and replenishes moisture to the skin.

[Main Ingredient] **Sodium Hyaluronate**(Moisturizing / Anti-aging), **Hydrolyzed Pea Protein**(Anti-aging / Skin emollient), **Leontopodium Alpinum Callus Culture Extract**(Anti-inflammatory / Abirritative), **Phytosterol**(Moisturizing / Erythema inhibitory)

[Capacity] 1 ml X 10 amps

[How to Use]

Professional: It can be used as a primer ampoule for pre/post MTS treatment or Cryocell treatment.

Personal care: Use morning and night as required. After toner, apply on the face and neck with gentle patting.

01.

CALLUS STEMPEEL AHA 100

Damaged skin will be replaced with new healthy skin and produces smoother, brighter looking skin by 3 combined alpha hydroxyl acids such as Glycolic Acid, Lactic Acid, Citric Acid and Histo plant stem cell. Ipomoea Hederacea Callus Culture Extract and Copper Tripeptide-1 stimulate the synthesis of collagen and elastin, which results in young cells appearance and general skin rejuvenation.

[Capacity] 120 ml

[Skin Type] Suitable for normal skin, premature aging skin and pigmentation skin

[Main Ingredient]

01. A.H.A
Skin lightening /
Dead skin cell removal

02. Sodium Hyaluronate
Moisturizing

03. Melissa Officialis
Leaf Extract
Skin elasticizing

04. Citrus Aurantium
Dulcis (Orange)
Peel Oil
Nutrition supply

02.

CALLUS STEMPEEL BHA 100

Lipid-soluble BHA dissolves sebum and impurities in pores and lessens oil production. It contains Alba (Willow) Bark Extract which makes it best solution for acne-prone skin with anti-inflammatory properties.

[Capacity] 120 ml

[Skin Type] Suitable for oily and acne prone skin

[Main Ingredient]

01. Salicylic Acid
Sebum control /
Sebum decomposition

02. A.H.A
Skin lightening /
Dead skin cell removal

03. Chaenomeles Sinensis
Fruit Extract
Soothing

04. Cinnamomum
Cassia Bark Extract
Skin purifying

03.

CALLUS STEMPEEL PHA 100

One of the mildest forms of chemical peels available. This peel will remove dead skin cells, and promote healthier skin by PHA properties [Lactobionic Acid, Gluconolactone], Nelumbium Speciosum Flower Extract lessens the possible irritations.

[Capacity] 120 ml

[Skin Type] Suitable for sensitive skin

[Main Ingredient]

01. P.H.A
Dead skin cell removal /
Cell replacement

02. Nelumbo Nucifera
Flower Extract
Soothing

03. Tomato Callus
Culture Extract
Melanin synthesis
inhibitory

04. Sophora
Flavescens Root
Extract
Nutrition supply

04.

AQUA PEELING SOLUTION AHA (FOR AQUA LAB MACHINE)

Water-Soluble AHA (Lactic Acid, Glycolic Acid) helps remove dead skin cell and sebum softly and keep moisturizing and soothing on the skin with Plant callus cultured extracts.

[Capacity] 520 ml

[Skin Type] Suitable for pigmented, aged and neutral skin

[Main Ingredient]

01. A.H.A
Dead skin cell removal
Skin lightening

02. Tomato Callus
Culture Extract
Nutrition supply
Skin tone improvement

03. Rice Callus
Culture Extract
Nutrition supply

04. Centella Asiatica
Anti-Inflammation
Skin cell renewal

05.

AQUA PEELING SOLUTION BHA (FOR AQUA LAB MACHINE)

Lipid-Soluble BHA (Salicylic Acid) helps remove blackhead and sebum effectively and improve skin condition softly with sebum control for acne-prone and oily skin.

[Capacity] 520 ml

[Skin Type] Suitable for pigmented, aged and neutral skin

[Main Ingredient]

01. Salicylic Acid
Sebum control /
Sebum decomposition

02. Tomato Callus
Culture Extract
Nutrition supply
Skin tone improvement

03. Rice Callus
Culture Extract
Nutrition supply

04. Centella Asiatica
Anti-Inflammation
Skin cell renewal

06.

AQUA MOISTURE SOLUTION HYD (FOR AQUA LAB MACHINE)

Hyaluronic acid (Sodium Hyaluronate) provides abundant moisture, helps immunity improvement and rapid skin soothing.

[Capacity] 520 ml

[Skin Type] Suitable for dry, sensitive skin and neutralization solution after peeling AHA or BHA

[Main Ingredient]

01. SRGF H, Complex™
Moisturizing /
Soothing

02. Sodium Hyaluronate
Moisturizing

03. Betaglukan
Soothing
Immunity improvement

04. Betaine
Soothing /
Moisturizing

01.

HISTO ALOE VERA GEL

Aloe Vera is a nature's penetrating skin care agent with numerous benefits. It is best for post laser and ultrasound treatment with rapid skin cell regeneration, inflammation and pain soothing properties.

[Capacity] 1200 ml

[How To Use] Apply onto the skin and spread with gentle patting, it is also gentle enough to use for the tender skin after peeling or skin laser procedures. Can be used as the alternatives to ultrasonic treatment gel.

[Main Ingredient]

01. Aloe Barbadensis Leaf Extract
Soothing / Anti-Inflammation

02. Sodium Hyaluronate
Moisturizing

03. Chamomilla Recutita (Matricaria) Flower Extract
Anti-inflammatory / Soothing

04. Allantoin
Anti-inflammatory

02.

HISTO CLEAR LOTION

Clear lotion is a blackhead removal solution with the properties that balance the secretion of sebum and remove impurities effectively.

[Capacity] 1200 ml

[How To Use] Place a Clear lotion saturated gauze or cotton pad onto desired area (nose, forehead, jaw) and steam for maximum effect.

[Main Ingredient]

01. Cocamidopropyl Betaine
Natural surfactant

02. Arctium Majus Root Extract
Oil-water control

03. Saponaria Officialis Root Extract
Natural surfactant

04. Mentha Piperita (Peppermint) Leaf Extract
Cooling

03.

HISTO POINT REMOVER Waterproof eye and lip make-up remover

A dual-phase formula removes all traces of long wearing eye & lip makeup with botanical cleansing properties. Dissolves eye and lip makeup smoothly without irritation and refreshes the skin with Lavender water.

[Capacity] 280 ml

[How To Use] Gently shake dual-phase point remover up before using. Place a HISTO Point Remover saturated cotton pad onto desired area (eye & lip make-up) and remove it gently.

[Main Ingredient]

01. Anthemis Nobilis Flower Extract
Nutrition supply

02. Lavandula Angustifolia (Lavender) Water
Soothing

03. Melissa Officialis Leaf Extract
Moisturizing

04. Betula Alba Leaf Extract
Anti-inflammatory, Skin protection

04.

HISTO CONDUCTIVE GEL

Conductive gel is a unique electrolyte gel that enhances the penetration of agents into the skin for ultrasound treatments by reducing electrical resistance. It spreads easily and evenly and will not dry out under the electrodes. It contains Sodium Hyaluronate and 7 kinds of extract complex which helps hydrate and soothe the skin with moisturizing effect.

[Capacity] 500 ml

[How To Use] Place gauze over the face and apply HISTO conductive gel with applicator.

[Main Ingredient]

01. BSASMI
Soothing / Abirritation

02. Sodium Hyaluronate
Moisturizing

03. Tomato Callus Culture Extract
Moisturizing / Nourishing

04. Aloe Barbadensis Leaf Extract
Soothing / Alleviating

05.

HISTO HQ CREAM (RF CREAM)

HQ cream is designed to facilitate the high frequency procedures with the properties of antioxidant, antimicrobial and enhance elasticity. It improves outstanding thermal conductivity and flexibility for efficient heat dissipation.

[Capacity] 1100 ml

[How To Use] Smooth HQ Cream over the specific area for the high frequency procedures. Can be applied as massage cream with nourishing properties.

[Main Ingredient]

01. BSASMI II
Cell Activation

02. Punica Granatum Fruit Extract
Soothing / Revitalizing

03. Ricinus Communis [Castor] Seed Oil
Elasticizing

04. Lavender Oil
Sebum Control / Relaxing

PDT= Photo Dynamic Therapy

PDT Solution is used as a treatment for severe acne, basically by destroying or reducing the acne bacteria and sebaceous glands with nontoxic light-sensitive compounds that are exposed selectively to light. It has shown to be effective as a treatment for severe acne through PDT Guide line establishment of USA Dermatologist Association in 2006.

[How To Use]

01. Remove make up and fine dusts on the face with milk cleanser and followed by foam cleanser.
02. Remove dead skin cells with deep cleansing.(Stempeel solution, enzyme powder wash)
03. Squeeze out acne.
04. Apply photosensitizer [MILD ALA] and rap the face.
05. Incubation period for 20~30minutes.[Light off]
06. Counteract with Counteractive bubble clear and wipe off residues with sponge.
07. Light activation for 10~20minutes.(IPL or LED)
08. Soothe and cool down with sheet mask, Cryocell and apply modeling mask.
09. Protect skin with Histo Cell cream, sun block and blemish balm from external sun damage.

※ Return to normal activities immediately after treatment, as long as keep the treated area out of the sun and bright lights for 48 hours. (Daily application of sunscreen-SPF50/PA+++ should be followed.)

PDT Before & After

01. MILD ALA PHOTO DYNAMIC THERAPY SOLUTION

A stabilized Hydrophilic 5 Aminolevulinic acid (Photosensitizing agent) with optimal active concentration for PDT treatment moderates intensity of local phototoxic effects and shortens duration of downtime. RG-2 which is extracted from Sapo-nin works as an abirritative agent with skin renewal activity.

ALA 7.5%, pH 3.5

[Main Ingredient] Aminolevulinatate HCL (Acne treatment / Regulation of secretion of sebum), Panax Ginseng Root Extract (RGII) (Anti-inflammatory / Skin renewal)

[Capacity] 1ml X 10 ea

02. ALA-M PHOTO DYNAMIC THERAPY SOLUTION

As it contains 13% of stabilized Methyl-Aminolevulinic Acid (Photosensitizing agent), this PDT treatment and exclusive product rapidly assures minimum period of downtime and instantly destroys sebaceous glands, P. Acnes (acne problem), making your skin clean and clear. RG-2 that is extracted from Saponin works as an abirritative agent with skin renewal activity.

Methyl ALA 13%, pH 4

[Main Ingredient] Methyl-Aminolevulinatate HCL (Acne treatment / Regulation of secretion of sebum) Panax Ginseng Root Extract (RG II) (Anti-Inflammatory / Skin renewal)

[Capacity] 1ml X 10 ea

03. COUNTERACTIVE BUBBLE CLEAR

Counteracts or decomposes remaining ALA agent which is not converted into protoporphyrin IX to prevent the skin from undesirable side effects and restores the pH balance of the skin. A mild botanical surfactant Decyl Glucoside minimizes the irritation to the skin.

[Main Ingredient] Decyl Glucoside (Moisturizing / Cleansing), Sodium Bicarbonate (pH control)

[Capacity] 150 ml

[How To Use] Pump 2~3 drops into your palm and massage your face with bubbles for 10~20seconds. Rinse with lukewarm water or remove with wet pack.

01. HISTO LIGHTENING CREAM MASK

Helps keep radiant and vigorous looking skin by offering moisture and nutrition with abundant Vitamin A, B, C. Glycyrrhiza Extract promotes skin lightening and effective in soothing.

[Capacity] 250 g

[How To Use] After deep cleansing or peeling therapy, apply onto the face with hand or pack brush. Remove it with cotton pad or rinse with warm water after 10~15mins.

02. HISTO MOISTURIZING CREAM MASK

Helps keep the skin moisturized by offering abundant moisture with Sheep Milk which helps moisturize and regulate oil and water balance of the skin.

[Capacity] 250 g

[How To Use] After deep cleansing or peeling therapy, apply onto the face with hand or pack brush. Remove it with cotton pad or rinse with warm water after 10~15mins.

03. HISTO SEBUM CATCH CREAM MASK

Sebum catch cream mask is suitable for acne-prone and oily skin with Sulfur which helps regulate the secretion of sebum and prevent an infection.

[Capacity] 250 g

[How To Use] After deep cleansing or peeling therapy, apply onto the face with hand or pack brush. Remove it with cotton pad or rinse with warm water after 10~15mins.

[Main Ingredient]

01. Punica Granatum Fruit Extract
Skin lightening / Soothing

02. Eclipta Prostrata Extract
Skin lightening / Nutrition supply

03. Arginine
Anti-oxidant

04. Allantoin
Anti-inflammatory

[Main Ingredient]

01. Oryza Sativa (Rice) Callus Culture Extract :
Skin lightening / moisturizing

02. Sodium Hyaluronate
Soothing / Moisturizing

03. Boswellia Serrata Resin Extract
Anti-Inflammatory / Soothing

04. Arginine
Soothing / Nutrition Supply

[Main Ingredient]

01. SRGF H, Complex™
Moisturizing / Soothing / Skin regeneration

02. Melia Azadirachta Extract
Sterilizing / Anti-inflammatory

03. Sulfur
Sebum absorption / Soothing

04. Menthol
Pores tightening / Cooling sensation

SHEET MASK

[How To Use]

1. After toner, carefully place the top part of the mask sheet from the tip of the nose to the forehead.
2. Spread evenly over the face.
3. Leave it for 10 - 20 minutes and remove from chin.
4. Massage remaining essence to be absorbed into the skin.

04. POST COOLING SHEET MASK

Soothing mask with effective pain relief following later procedures Enhanced skin regeneration, erythema care with bio substances include Aloe Extract, Peppermint Oil which lead to skin soothing, cooling, moisturizing.

[Capacity] 30 g

[Main Ingredient]

01. SRGF H, Complex™
Moisturizing / Soothing / Skin regeneration

02. Aloe Barbadensis Leaf Extract
Soothing / Moisturizing

03. Portulaca Oleracea Extract
Astriction

04. Peppermint Oil
Astringent / Tightening

05. AC SOOTHING SHEET MASK

Organic natural skin care treatment for acne and acne prone skin Protects sensitive skin from external infections and stress and revitalizes the skin from fatigue. Green tea extracts assist greatly to remove harmful toxins from the face and treat inflammation with its anti-inflammatory properties.

[Capacity] 30 g

[Main Ingredient]

01. SRGF H, Complex™
Moisturizing / Soothing / Skin regeneration

02. Camellia Sinensis Leaf Extract (Green Tea)
Moisturizing / Elasticizing

03. Hamamelis Virginiana (Witch Hazel) Extract
Astriction

04. Melaleuca Alternifolia (Tea Tree) Leaf Oil
Anti-inflammatory / Sebum control

06. VITA WHITENING SHEET MASK

Skin lightening and nourishing vitamin mask for glossy and supple skin Helps keep healthy looking skin by offering moisture and nutrition with Vitamin B3, B5 and E derivative.

[Capacity] 30 g

[Main Ingredient]

01. SRGF H, Complex™
Moisturizing / Soothing / Skin regeneration

02. Punica Granatum Fruit Extract
Vitalizing

03. Adenosine
Wrinkle improvement

04. Lemon peel Oil
Anti-Oxidant

Facial Modeling Mask

Extraordinary soft and hard modeling masks containing 20% of Algin which is created from brown algae. It is capable of absorbing 200-300 times its own weight in water which helps keep moisturized skin and also has inflammatory, antiseptic activities. Gentle enough for sensitive, acne-prone skin and safe after even the most aggressive treatments.

[How To Use] Mix Facial modeling mask powder with purified water at the ratio of 1:1.5.

Tip: For the best treatment, apply essence or ampoule prior to the modeling mask.

01.

GOLD PLUS MODELING MASK

Skin renewal + Detoxifying

Offers the youthfulness and radiance to skin texture with age-defying and rejuvenating effect.

[Capacity] 1000 g

[Skin Type] suitable for all skin types, especially signs of aging skin.

[Main Ingredient]

01. Colloidal Gold
Skin elasticizing

02. Algin
Moisturizing

03. Allantoin
Soothing

04. Sodium Hyaluronate
Moisturizing

02.

SILVER PLUS MODELING MASK

Acne care + Anti-inflammatory + Detoxifying

Greatly absorbs waste and protects skin from external irritations.

[Capacity] 1000 g

[Skin Type] suitable for oily and acne prone skin.

[Main Ingredient]

01. Allantoin
Soothing

02. Pearl powder
Moisturizing

03. Glycyrrhiza Extract
Nutrition supply

04. Sodium Hyaluronate
Moisturizing

03.

NATURAL LIGHTENING PLUS MODELING MASK

Whitening + Anti-oxidant + Improving Skin firmness

Arbutin and Sodium Hyaluronate promotes skin lightening and evening skin tone on all skin types by blocking epidermal melanin biosynthesis with moisturizing.

[Capacity] 1000 g

[Skin Type] Suitable for skin with pigmentation problems.

[Main Ingredient]

01. Arbutin
Melanosome maturation arrest

02. Glycyrrhiza Extract
Nutrition supply

03. Allantoin
Soothing

04. Sodium Hyaluronate
Moisturizing

04.

PEPPERMINT COOL PLUS MODELING MASK

Soothing / Cooling + Elasticity reinforcement

Helps enhance skin renewal and contract pores that leaves skin glossy and healthy state, and reduces skin redness.

[Capacity] 1000 g

[Skin Type] Suitable for all skin types, especially oily and Acne-prone skin.

[Main Ingredient]

01. Mentha Piperita (Peppermint) Extract
Blood circulation improvement / Astringent

02. Algin
Moisturizing

03. Glycyrrhiza Extract
Nutrition supply

04. Sodium Hyaluronate
Moisturizing

05.

MARIN AQUA PLUS MODELING MASK

Moisturizing + Improving skin tone + Reinforcing blood circulation

Contains Olive fruit extract which has skin renewal, soothing, suppressing moisture evaporation properties

[Capacity] 1000 g

[Skin Type] Suitable for all skin types, especially dry, sensitive skin.

[Main Ingredient]

01. Olive Fruit Extract
Soothing / Skin renewal / immunizing

02. Allantoin
Soothing

03. Glycyrrhiza Extract
Nutrition supply

04. Sodium Hyaluronate
Moisturizing

DERMA SCIENCE

It is specially designed for the post laser treatment by restoring damaged skin and providing the defense for the skin with Histo plant stem cell, Kinetin, Niacinamide, Pantenol, Portulaca Oleracea Extract. It also encourages collagen production; new skin cells are rapidly produced, making your skin appear more even in tone. Helps protect skin from stress, UV rays, oxygen free radical and enhances homeostasis leads to natural color of skin.

01.

POST CARE HISTO CELL CREAM

Post Care HISTO Cell cream is specially formulated to help promote rapid healing of damaged skin following laser procedures and provide the firm line of defense for the skin against external infections and pigmentation. For all skin types, especially for damaged skin following dermatologic procedures

- 01. **Rapid healing with SRGF H₁ Complex**
Promote rapid healing of damaged skin with the growth factors.
- 02. **Perfect solution for the scar tissue, firm sagging facial features**
Diminish existing scar tissue by activating normal skin remodeling from inside the body with the complex of peptides and Centella Asiatica Extract.
- 03. **Stable and effective post procedures (Laser, peeling etc.) treatment**
Prevent pigmentation by helping restore cell regeneration and normal skin barrier following procedures.

[Capacity] 12 ml / 50 ml / 500 ml

[How to Use]

- 01. After laser or peeling and dermabrasion procedures: Apply enough amount of HISTO cell cream gently on desired area and smooth the cream over your skin to be absorbed, for the best post laser treatment, it is recommended to apply twice a day for a week
- 02. After toner and essence, use cell cream as alternative of nutrition cream.
Apply it on entire face and smooth with gentle patting.

[Main Ingredient]

	01. Centella Asiatica Extract Anti-inflammatory / Skin renewal		02. Macadamia Ternifolia Seed Oil Nutrition supply
	03. SRGF H ₁ Complex™ Moisturizing / Soothing / Skin regeneration		04. Panthenol Cell growth / Moisturizing

02.

FADE OUT HISTO K CREAM

FADE OUT HISTO K CREAM is specially formulated to help promote healing of damaged skin with Menadion(Vitamin K) following procedures such as MTS, PRP etc. It accelerates reducing the severity of the bruising and improves the appearance of dark circles.

[Capacity] 12 ml / 50 ml / 500 ml

[How to Use]

- Apply HISTO K CREAM gently on desired area following MTS or PRP.
For the best post laser treatment, it is recommended to apply twice a day for a week.

[Main Ingredient]

	01. SRGF H ₁ Complex Soothing / Moisturizing / Skin regeneration		02. Centella Asiatica Extract Anti-inflammatory / Skin renewal
	03. Menadion(Vitamin K) Mediation of both coagulation and anticoagulation		04. Aloe Barbadensis Leaf Extract Anti-inflammatory / Soothing

03.

AQUA MINERAL MOISTURE MIST

A moisturizing and soothing mist especially effective for the damaged skin. Frequent use of this after laser treatments makes your dry and sensitive skin moisturized and hydrated.

Paraben-free / Alcohol-free

EGF complex Ampoule contains 50% of EGF Complex for potent wrinkle care. Adenosine which works as an active anti-wrinkle agent and EGF complex immensely helps improve skin's elasticity. It is effective in soothing and moisturizing the skin.

[Capacity] 50 ml / 150 ml

[How to Use]

After applying toner, take 2~3 drops and apply with gentle patting.

[Main Ingredient]

01. EGF complex
Skin renewal

02. Adenosine
Anti wrinkle

03. Trehalose
Moisturizing

04. Eclipta Prostrata Extract
Nutrition Supply

03.

HYALURON COMPLEX AMPOULE 62

Paraben-free / Alcohol-free

Hyaluron complex Ampoule combined a variety of active hydrating ingredients and 62% of Hyaluronic acid complex which instantly replenishes moisture and keeps the skin supple.

[Capacity] 50 ml / 150 ml

[How to Use]

After applying toner, take 2~3 drops and apply with gentle patting.

[Main Ingredient]

01. Sodium Hyaluronate
Moisturizing

02. Citrus Paradisi (Grapefruit) Fruit Extract
Anti-oxidant

03. Snail Secretion Filtrate
Moisturizing

04. Rose Centifolia Flower Water
Soothing

04.

AZULENE COMPLEX AMPOULE 72

Paraben-free / Synthetic fragrance-free

Azulene complex Ampoule is formulated with a variety of intensive soothing and sebum control agents 'Azulene complex, Dimethyl Sulfone, BHA' which improve troubled skin by regulating sebum secretion and calming a wide variety of skin irritations. It is also effective in reducing skin redness and swelling with Azulene Complex.

[Capacity] 50 ml / 150 ml

[How to Use]

After applying toner, take 2~3 drops and apply with gentle patting.

[Main Ingredient]

01. Azulene Complex
Soothing

02. Dimethyl Sulfone
Sebum absorption

03. Vegetable BHA
Sebum control

04. Melaleuca Alternifolia (Tea Tree) Leaf Oil
Anti-inflammatory / Sebum control

01.

SENSITIVE SUN BLOCK FOREVER PLUS SPF50+ / PA+++

Sun Block Forever Plus is a hypoallergenic essence-type sun screen that protects the skin from the sun's damaging rays without irritation for all skin types, especially for sensitive and acne-prone skin. It is enriched with anti-oxidant and natural moisturizing properties for healthier looking skin.

[Capacity] 50 ml

[How to Use]

After skin care with toner, lotion and cream, apply Sensitive Sun block Forever Plus over your skin and smooth evenly with gentle patting.

[Main Ingredient]

 01. Squalane Moisturizing	 02. Oryza Sativa(Rice) Bran Extract Skin-lightening / Anti-oxidant

MOIST SCIENCE

A Hyper-moisturizing skin care formulation includes anti-inflammatory, anti-irritating, alleviating, healing, hydrating, and active agents which help enhance self-immunity. It contains botanical therapeutic agents which have inherent antiseptic, hydrating properties help to build a moisturizing membrane of skin gradually.

01. EXCELLENT MOISTURE LOTION

Excellent Moisture Lotion is a special moisturizer contained Natural Moisturizing Factor [Ceramide], a variety of botanical extracts that prevent skin from dehydrating and keep it moisturized.

[Capacity] 500 ml [Skin Type] Suitable for very dry, sensitive skin

[How to Use]

Use morning and night as required. After toner, apply gently over face and body.

[Main Ingredient]

	01. Ceramide NP Skin barrier reinforcement		02. Poncirus Trifoliata Fruit Extract Skin purifying
	03. Centella Asiatica Extract Anti-inflammatory		04. Chamaecyparis Obtusa Oil Moisturizing / Soothing

02. EXCELLENT MOISTURE CREAM

Excellent Moisture Cream is a technologically advanced skin barrier reinforcement cream to help soothe and restore damaged skin by penetrating natural hydrating agents deep into the skin. It provides essential moisture to normalize and hydrate the skin and body.

[Capacity] 150 ml [Skin Type] Suitable for very dry, sensitive skin

[How to Use]

Use morning and night as required. After Excellent moisture lotion, apply gently over face and body.

[Main Ingredient]

	01. Ceramide NP Skin barrier reinforcement		02. EGF Nutrition supply
	03. Centella Asiatica Extract Anti-inflammatory		04. Hedera Helix (Ivy) Extract Soothing

AQUA SCIENCE

AQUA SCIENCE is Bio-Cosmetics with Histo Plant Stem Cell which helps provide the first line of defense for the skin by reducing evaporation, restoring cellular function. Offers intensive care to maintain well balanced skin by enforcing immune system against environmental hazards and increasing skin's hydration.

01. WATER-MAX MILK CLEANSER

Gently removes impurities without irritation while respecting the integrity of the hydrolipid membrane.

[Capacity] 1200 ml

[Skin Type] Suitable for all skin types, especially dry skin

[How to Use]

Apply with a cotton pad or with fingertips in a gentle circular motion. Gently remove with a cotton pad. Rinse with lukewarm water with sponge or clean with Water-max foam cleanser, Enzyme powder wash.

[Main Ingredient]

01. Sodium Hyaluronate
Soothing / Moisturizing

02. Beta Glucan
Soothing / Immunizing

03. Iris Ensata Extract
Skin-lightening

04. Lecithin
Moisturizing / Skin renewal

02. WATER-MAX FOAM CLEANSER

Gel type foam cleanser designed to wash away make-up, dirt and excess oil by botanical cleansing properties.

[Capacity] 140 ml / 1200 ml

[Skin Type] Suitable for all skin types, especially dry skin

[How to Use]

Use morning and night as required. Take a drop onto dampened hand to foam and apply and rub on face. Rinse thoroughly with lukewarm water.

[Main Ingredient]

01. Sodium Hyaluronate
Soothing / Moisturizing

02. SRGF H1 Complex
Soothing / Moisturizing / Skin regeneration

03. Portulaca Oleracea Extract
Anti-inflammatory

04. Iris Ensata Extract
Skin-lightening

03. WATER-MAX INFUSION MIST

An ultra-light weight mist designed to hydrate and help maintain skin's water-oil balance.

[Capacity] 140 ml / 1200 ml

[Skin Type] Suitable for all skin types, especially dry skin

[How to Use]

Use morning and night as required. After cleansing, spray onto the face or apply it with cotton pad.

[Main Ingredient]

01. Sodium Hyaluronate
Soothing / Moisturizing

02. Betaine
Soothing / Moisturizing

03. Allantoin
Soothing / Anti-inflammatory

04. Lecithin
Moisturizing / Skin renewal

04. WATER-MAX HYDRATING MOISTURIZER

Specially designed to restore skin moisture, damaged skin and skin firmness. It is effective in enhancing the appearance of health and vitality to the skin with Betaine and Portulaca Oleracea Extract.

[Capacity] 50 ml / 500 ml

[Skin Type] Suitable for all skin types, especially dry skin

[How to Use]

Use morning and night as required. After Infusion Mist (Toner), apply on the face and neck and pat gently.

[Main Ingredient]

01. Sodium Hyaluronate
Soothing / Moisturizing

02. Beta Glucan
Soothing / Immunizing

03. Portulaca oleracea extract
Anti-inflammatory / Soothing

04. Betaine
Moisturizing

05. WATER-MAX HYDRATING CREAM

Forms natural external layers of the skin and defense by reducing evaporation of skin moisture and oil. Restores cellular function against external harmful hazards and UV rays.

[Capacity] 50 ml / 500 ml

[Skin Type] Suitable for all skin types, especially dry skin

[How to Use]

Use morning and night as required. After Hydrating Moisturizer, apply on the face and neck.

[Main Ingredient]

01. Sodium Hyaluronate
Soothing / Moisturizing

02. Beeswax
Moisturizing

03. Beta Glucan
Soothing / Immunizing

04. Lecithin
Moisturizing

ACNEX SCIENCE

External contamination and stress may stimulate sebaceous glands and cause oily, pore-clogged skin that leads to acne.

ACNEX SCIENCE is designed to be for oily skin, which helps maintain the health of sebaceous glands for balanced sebum production without sticky.

01. ALPHA CLEANSING FOAM

Gel type of mild anti-inflammatory cleansing foam helps clear bacteria and also soothes inflammation.

[Capacity] 140 ml / 1200 ml

[Skin Type] Suitable for oily and Acne-prone skin

[How to Use]

Take a drop onto dampened hand to foam and apply and rub on face gently. Rinse thoroughly with lukewarm water.

[Main Ingredient]

01. Hedera Helix (Ivy) Leaf Extract
Skin protection / Soothing

02. Melaleuca Alternifolia (Tea Tree) Leaf Oil
Anti-inflammatory / Sebum control

03. Decyl-Glucoside
Sebum control / Purifying

04. Nelumbo Nucifera Flower Water
Soothing / Moisturizing

02. BETA FRESH TONER

Special mild purifier gently removes impurities in pores and reconditions skin leads to restriction of inflammation.

[Capacity] 140 ml / 1200 ml

[Skin Type] Suitable for oily and Acne-prone skin

[How to Use]

Use morning and night as required. After cleansing, Spray fine toner onto entire face or apply with cotton pad.

[Main Ingredient]

01. Melaleuca Alternifolia (Tea Tree) Leaf Oil
Anti-inflammatory / Sebum control

02. Salicylic Acid
Sebum Control

03. Sophora Angustifolia Root Extract
Anti-inflammatory / Skin protection

04. Aloe Barbadensis Leaf Juice
Moisturizing

03. GAMMA CRYSTAL SERUM

Soothing serum soothes sensitive or trouble skin rapidly with botanical extracts, which helps control oil-water balance effectively without irritation on the skin.

[Capacity] 50 ml / 500 ml

[Skin Type] Suitable for oily and Acne-prone skin

[How to Use]

Use morning and night as required. After fresh toner, apply gently over face

[Main Ingredient]

01. Beta Glucan
Moisturizing

02. Peppermint Extract
Soothing / Astringent

03. Portulaca Oleracea Extract
Soothing / Moisturizing

04. Sophora Angustifolia Root Extract
Anti-inflammatory / Skin protection

04. DELTA ACTIVE CREAM

Skin improvement cream retains moisture into the skin not to be dry and makes the skin healthy by offering abundant nutrition and reducing the secretion of sebum with botanical extracts.

[Capacity] 50 ml / 500 ml

[Skin Type] Suitable for oily and Acne-prone skin

[How to Use]

Use morning and night as required. After serum, apply gently over face.

[Main Ingredient]

01. Poncirus Trifoliata Fruit Extract
Irritation alleviating / Immunity reinforcement

02. Sophora Angustifolia Root Extract
Anti-inflammatory / Skin protection

03. Centella Asiatica Extract
Skin renewal / Soothing

04. Aloe Barbadensis Leaf Juice
Moisturizing

05. OMEGA SPOT CARE SOLUTION

Active botanical agents with anti-inflammatory, antioxidant properties treat an affected area on the face.

[Capacity] 12 ml

[Skin Type] Suitable for oily and Acne-prone skin

[How to Use]

Use morning and night as required.

Apply small amount of the cream gently on the inflamed or acne developed area with cotton bud.

[Main Ingredient]

01. Melia Azadirachta Extract
Scar treatment

02. Centella Asiatica Extract
Soothing / Scar treatment

03. Psoralea Corylifolia Fruit Extract
Anti-inflammatory / Antipruritic

04. Nelumbo Nucifera Flower Water
Soothing / Moisturizing

AGE SCIENCE

It is a revolutionary anti-aging formula that stimulates a cell reconstruction and prolongs the life cycles of skin cell with Adenosine and balance over the skin with a variety of botanical extracts. Furthermore, it promotes synthesis of collagen and keeps the skin balance by putting nutrients in the skin with HISTO Plant Stem Cell which leads to young and rejuvenated look, while helping to protect against skin damages caused by UVA and UVB rays, free radicals, wind and pollution.

01.

PREMIUM ENERGIZING SOLUTION

Premium Energizing Solution is a complex of botanical extracts, hydration-boosting agents such as Solanum lycopersicum (Tomato) Callus Culture Extract and Adenosine that promote supple, healthy, vibrant skin with anti-wrinkle properties.

[Capacity] 140 ml / 1200 ml

[Skin Type] Suitable for all skin types, especially the skin with signs of aging

[How to Use]

Use morning and night as required.
After cleansing, Spray fine toner onto entire face or apply with cotton pad.

[Main Ingredient]

01. Adenosine
Anti-wrinkle

02. Solanum lycopersicum (Tomato) Callus Culture Extract
Skin Elasticizing / Skin lightening

03. Lecithin
Skin renewal

04. Panthenol
Vitalizing

02.

PREMIUM RENEWAL ESSENCE

Premium Renewal Essence is designed to restore skin vitality and tackle aging with plant derived active ingredients. It facilitates skin reconstruction which leads to anti-aging and keeps the skin radiant.

[Capacity] 50 ml / 500 ml

[Skin Type] Suitable for all skin type, especially the skin with signs of aging

[How to Use]

Use morning and night as required.
Apply generous amount gently and massage onto the face until completely absorbed.

[Main Ingredient]

01. Adenosine
Anti-wrinkle

02. Solanum lycopersicum (Tomato) Callus Culture Extract
Skin elasticizing / Skin lightening

03. Betaine
Soothing / Moisturizing

04. Tocopheryl Acetate
Anti-oxidant

03.

PREMIUM TIMELESS CREAM

Premium Timeless Cream contains Adenosine and Beta-Glucan which improve the skin softly and elastically. The key ingredient is Solanum lycopersicum (Tomato) Callus Culture Extract which promotes the synthesis of collagen leads to skin rejuvenation.

[Capacity] 50 g / 500 g

[Skin Type] Suitable for all skin types, especially the skin with signs of aging

[How to Use]

Use morning and night as required.
After Premium renewal essence, apply generous amount gently onto the face and massage until completely absorbed.

[Main Ingredient]

01. Adenosine
Anti-wrinkle

02. Solanum lycopersicum (Tomato) Callus Culture Extract
Skin Elasticizing / Skin lightening

03. Beta-Glucan
Elasticizing

04. Sodium Hyaluronate
Moisturizing

04.

PREMIUM EYE CREAM

Premium Eye cream is enriched with plant-derived extracts. It encourages your skin's natural functions and support the process of self-renewal. Reduces fine lines and moisturizes with this velvety protective eye cream.

[Capacity] 30 g / 250 g

[Skin Type] Suitable for all skin types, especially the skin with signs of aging

[How to Use]

Use morning and night as required. After Premium Energizing Solution, dab a small amount around eye & lip area and gently massage until completely absorbed.

[Main Ingredient]

01. Adenosine
Anti-wrinkle

02. Solanum lycopersicum (Tomato) Callus Culture Extract
Skin Elasticizing / Skin lightening

03. Tocopheryl Acetate
Anti-oxidant

04. Sodium Hyaluronate
Moisturizing

WHITE SCIENCE

WHITE SCIENCE contains new patented peptide and botanical growth factor complex to help skin lightening which MEDIANS Co.,Ltd. only hold. It maximizes brightening skin tone and revitalizing skin with Gigawhite complex extract by offering abundant nutrition and moist which is extracted from 7 kinds of plants in Alpine. It is also effective in moisturizing and soothing the skin.

01.
WHITNESS LIGHTENING MIST

Whitess Lightening Mist brightens skin tone and re-hydrates thirsty skin by providing abundance of moisture and nutrition with a well-balanced pH.

[Capacity] 140 ml

[How to Use]

After cleansing, spray onto the face or apply with cotton pad. Use morning and nights as required.

[Main Ingredient]

01. Gigawhite
Skin Brightening

02. SRGFH, Complex™
Moisturizing / Soothing

03. Rice / Tomato Callus
Culture Extract
Moisturizing / Nourishing

04. Melissa Officinalis
Leaf Extract
Skin protection

02.
WHITNESS LIGHTENING SERUM

Whitess Lightening Serum brightens the skin tone from dark and somber skin and soothes the skin rapidly. It also can be used with ultrasound by mixing with aloe vera gel.

[Capacity] 50 ml

[How to Use]

After toner, apply onto the face, neck and elbow with gentle patting. Use morning and nights as required.

[Main Ingredient]

01. Gigawhite
Skin Brightening

02. SRGFH, Complex™
Moisturizing / Soothing

03. Trehalose
Moisturizing

04. Panthenol
Vitalizing

03.
WHITNESS MELA-X CREAM

Whitess Mela-X Cream is designed to moisturize and soften skin with brightening effect by restoring skin's natural moisture and absorb into skin smoothly with patented peptides and 7 kinds of botanical complex extracts in Alpine (Gigawhite)

[Capacity] 50 g

[How to Use]

After toner and essence, apply cream on entire face, neck and elbow with gentle patting. Use morning and night as required.

[Main Ingredient]

01. Gigawhite
Skin brightening

02. SRGFH, Complex™

03. Massage remaining essence to be absorbed into the skin.

01.

CAFE LATTE TOTAL BASE PEEL

Helps control oil-water balance by exfoliating sebum in pore and body waste with Lactic Acid, Glycolic Acid. Also helps soothe the dry and sensitive skin by offering nutrition with Coffee extract.

[Capacity] 120 ml

[How To Use] When peeling, use maximum 2ml

[Main Ingredient]

01. Lactic acid
Exfoliating /
Moisturizing

02. Coffee Arabica
Seed Extract
Nutrition supply

03. Glycolic Acid
Dead skin cell care

04. Allantoin
Soothing

02.

CAFE LATTE SPECIAL PEEL

Helps intensive peeling by skin penetration reinforcement as a special peeling product being intensity modulation of peeling. It also improves vitalizing on the skin with Arbutin.

[Capacity] 6 ml x 20 vials

[How To Use] When peeling, use maximum 2ml

[Main Ingredient]

01. Lactic acid
Exfoliating /
Moisturizing

02. Glycolic Acid
Dead skin cell care

03. Arbutin
Vitalizing

04. Boswellia Serrata
Resin Extract
Soothing

03.

CAFE LATTE MICRO SPICULE (VBF)

Exfoliates dead skin cell by penetrating Micro formulation into the skin with high purity micro needle extracted from sea sponge. It also offers nutrition with 9 types of Herb extracts.

[Capacity] 15 g

[How To Use] When peeling, use maximum 0.5g

[Main Ingredient]

01. Sea sponge
Exfoliating

02. Chamomilla Recutita
(Matricaria) Leaf Extract
Skin protection

03. Cymbopogon
Schoenanthus Extract
Nutrition supply

04. Mentha Rotundifolia
Leaf Extract
Soothing

04.
