

# BASE TOP SIZING INFO

Fit notes: This style has a lot of stretch. This guide is for a close fit, so that the garment can be worn under other garments.

We want you to feel good in our clothes. Please note that the body measurement chart is only a guide based on the general fit preference of our models. By using the body measurement guide, we hope that you can choose a size best fitted to you!

With the exclusion of ready-to-ship garments, our pieces are made-to-order. If you require any custom sizing adjustments to be made to your order, please include these specifications in the custom note box. This could include lengthening/ shortening the length to "x amount", adjusting the bust for "x measurement", etc. If you are unsure of your size, or feel that you are between sizes, please include your measurements + height in the text field as well.
