**SIZING INFO**  
*(measurements in inches)*

We want you to feel good in our clothes. Please note that the body measurement chart is only a guide based on the general fit preference of our models. By using the garment measurement guide with the body measurement guide and model measurement guide, we hope that you can choose a size best fitted to you!

Our garments are made-to-order. If you require any custom sizing adjustments to be made to your order, please include these specifications in the **"order notes" section**. This could include lengthening/ shortening the length to "x amount", adjusting the bust for "x measurement", etc.

If you are unsure of your size, or feel that you are between sizes, please include your measurements + height in the **"order notes" section**.

\*Please note that measurements are approx. since linen varies slightly in shrinkage\*
