*(measurements in inches)*

We want you to feel good in our clothes. Please note that the body measurement chart is only a guide based on the general fit preference of a relaxed fit. By using the garment measurement guide in tandem with the body measurement guide, we hope that you can choose a size best fitted to you!

Our garments are made-to-order. If you require any custom sizing adjustments to be made to your order, please include these specifications in the "**order notes**" section found on the *cart* page. This could include lengthening/ shortening to "x amount", etc.

If you are unsure of your size, or feel that you are between sizes, please include your measurements + height in the "**order notes**" section found on the *cart* page.

\*Please note that measurements are approx. since linen varies slightly in shrinkage
