SIZING INFO
(measurements in inches)

We want you to feel good in our clothes. Please note that the body measurement chart is only a guide based on the general fit preference of a relaxed fit. By using the garment measurement guide in tandem with the body measurement guide, we hope that you can choose a size best fitted to you!

Our garments are made-to-order. If you require any custom sizing adjustments to be made to your order, please include these specifications in the **"order notes" section found on the cart page**. This could include lengthening/ shortening the length to "x amount", adjusting the sleeve length to "x amount", etc.

If you are unsure of your size, or feel that you are between sizes, please include your measurements + height in the **"order notes" section found on the cart page**.

*Please note that measurements are approx. since linen varies slightly in shrinkage
