 Or by email to: sales@wellandvalleyfeeds.co.uk Or drop off your entry in store. **Good Luck. Closing date: Friday 17th May 2019 at 9.30 am**

Who's a pretty boy then!

Mark has been with WVF for 17 years and loves to share his wealth of knowledge with customers old and new. He has shared with us his passion for parrots which started quite by chance at the tender age of 8 with the purchase of a pet budgie.

The first budgie was closely followed by a second which inevitably bred before Mark really understood about "the birds and the bees"! One thing led to another, and he soon had an aviary and supplied J E Martins pet shop in Church Street, Market Harborough. With the proceeds from these early beginnings Mark purchased a parrot following his father's lead. Aged 16,

Mark's father had expected him to follow him into the building trade. Instead of this, Mark worked for a couple in Lubenham who had set up a private breeding collection of parrots which ended up being very successful and traded internationally. They also had all types of water fowl and Mark gleaned a wealth of knowledge and experience regarding incubation of swans and geese over the 14 years he worked with them before joining the team at Welland Valley Feeds.

Mark continues to breed parrots and has a thriving collection. Parrots are among the most intelligent

birds. They are quick to learn tricks and other behaviours – both good and bad. They also display a variety of temperaments and personalities and require an enormous amount of attention, care and intellectual stimulation to thrive – Mark has advised that having a parrot can be like having a naughty little monkey swinging around your house – he would always ensure any of his parrots went to owners committed to their needs. Well looked after, taking a diet predominantly of seeds, nut and fruit, they can live for more than 20 years, with some species living for 80 years.

J&J Premium Parrot Fruit Mix – 2kg & 12.75kg - Made with over 20 tempting ingredients, Parrots can't seem to resist this variety filled seed mixture.

J&J No.1 Parrot Mix – 2kg & 12.75kg - Full of seeds, nuts and pods that Parrots love spending time on by using their skills to open and retrieve their tasty reward

J&J African Grey Low Sunflower Blend – 2kg- Help your bird reduce their daily fat intake. The rich variety of ingredients provides a mix full of different tastes and texture for an interesting meal every time.

Kaytee Exact Rainbow Parrot – 2.5lb and 20lb - Each nugget contains "exact nutrition" ensuring your bird gets exactly the right nutrition to produce better feathering, brighter colours and maintain excellent health.

Kaytee Exact Hand Feeding Formula - 5lb - exact food's high-nutrient formula promotes growth, weaning, development and bright plumage.

Willsbridge Parrot VAM - 2.5kg & 12.5kg Parrot food with added vitamin and mineral pellets with lower sunflower levels ideal for all parrots especially African Greys

Also Feed available for other birds such as Foreign Finch, Budgie and Canary

Special Offer

Epsom Salts 2kg £6.35

Epsom Salts – an inorganic salt – is a compound chemical: chemical Magnesium Sulphate Heptahydrate. It takes its name from the bitter saline spring in Epsom, Surrey. It was discovered in Shakespearian times. It has a variety of uses, some of which are described below.

It is highly water soluble. Medicinal uses include saline laxative, treatment of low magnesium (hypomagnesemia) amongst others. Athletes use Epsom Salts to soothe sore muscles and it is used externally as a “drawing paste” to help remove splinters. Gardeners use it to improve magnesium hungry crops such as tomatoes, carrots and roses. It is beneficial as a supplement for pre-calving cattle. Magnesium is responsible for nerve and muscle function and it has been used in horses for its calming influence.

Now in Stock Agrovista Herbicides Products

Envy 3 Litres

Envy controls buttercups, dandelions and other perennial weeds in paddocks and low productivity grassland. Envy has a short stock exclusion of just 7 days and no herbicide residue concerns in manure, which is very important in equine situations where manure is picked and used on gardens or allotments.

Grazon Pro 1 litre

A foliar acting herbicide for the control of perennial broad-leaved weeds including nettles, docks, thistles and brambles, broom and gorse in established grassland.

Thistlex

Thistlex® is a very effective translocated product for both creeping and spear thistle. It is very safe to grass.

Pas Tor Combi Box 4 litres

It delivers long-lasting perennial weed control in one convenient box. Excellent Dock, Thistle and Nettle control. Long-term control. Does not hold back grass growth after application

Doxstar Pro 2 Litres

Doxstar®Pro is a concentrated formulation controlling all species of docks in established grassland.

Leystar 2 Litre

Leystar is a selective herbicide for use in new sown leys, grass for seed and maize.

Leystar is much valued by grassland farmers for its wide weed spectrum including chickweed, seedling docks and thistles and good grass safety when used on new sown leys. Leystar is also for use in maize and grass grown for seed.

Rosate TF 5 Litres

A soluble liquid concentrate herbicide for the control of most species of emerged annual and perennial grass and broad-leaved weeds.

If you require more in depth information of these products, in the first instance please contact:

Baseworks Ltd

Arenas • Gallops • Groundworks

07968 391224

leeroberts28@aol.com

baseworksltd.co.uk

Who we are

Baseworks Ltd

We're an experienced and professional builder of equestrian arenas, gallops, surfaces and groundwork, conveniently located in Northamptonshire and serving our customers nationally.

Our Services

Equine Arenas, Gallops, Canter Tracks, Refurbishment of existing Arenas, Gallops and Canter Tracks, Surface Supply and Top Up, Stable Base and Horse Walker Base, Major Groundwork Projects, Fencing, Paddock Maintenance

Equine Landscaping

We offer a full construction service for your equine arenas, gallops and canter tracks from start to finish which begins with a full site survey.

Fencing

We supply and install all types of fencing; security, railings, mesh, gates, barriers and bollards for domestic, equestrian, agricultural and commercial projects. Not only will it look great but it will last.

Major Groundworks

Our installation teams have 10+ years experience in most civil ground works and are able to deliver cost effective ground works for a wide range of projects, including Commercial, Agricultural, Domestic, Equestrian and Environmental.

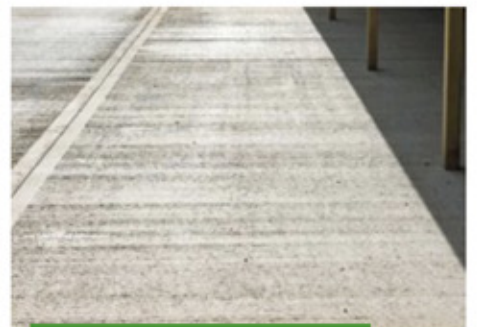

Equine Landscape Refurbishment

After time sand can solidify losing its flexibility and create wet spots. We are able to provide refurbishment of your existing equine arenas, gallops and canter tracks.

Surface Supply and Top-Up

If you wish to do a simple top up of your Arena, Gallop or Canter Track we can advise you on the best surface that is right for you requirements and are able to supply different types of surface.

Stable and Horse Walker Base

We offer a full construction service from planning to build. We can do anything from a private yard of a stable block to a large commercial yard to include American barn, walker, car parking, roadways etc.

To view our portfolio and for more information please visit our website: baseworksltd.co.uk

www.brankleyfarm.co.uk

Leicester Animal Rescue

Leicester Animal Rescue have many dogs and cats seeking kind, permanent homes. All are microchipped and up to date with flea and worm treatment, and adults are neutered.

Please note we only re-home within the Leicestershire area.

Charlie and Garfield are a very sweet, shy pair that are very fond of each other. They originally came to us as strays. They seem OK with other cats but haven't been around dogs. Older children would be better suited for these two

Barry is a gentle giant. He's about 5 years old. He walks lovely on the lead. He's come to us from the pound so we don't know much about him. He seems to be hit and miss with other dogs and we do not know what he's like with cats. We will home him with older children with him being a big, bouncy lad.

Please telephone to book a viewing appointment 0116 259 9399.

BPS Updates May 2019

James Douglas

Bsc (Hons) MRICS, FAAV

As all rural land managers, farmers and agents are aware, applications for the Basic Payment Scheme (BPS) 2019 must be received by the 15th May 2019. This month's article summarises the changes to BPS that farmers and land managers need to know.

COMMONS ELIGIBILITY: The Rural Payments Agency (RPA) needs to ensure that all land data on their systems is up to date and are therefore carrying out eligibility checks on an ongoing basis. Any changes might affect the value of a land owner or manager's claims and payments for:

- BPS
- Stewardship schemes
- Forestry schemes

This is because the notional area used to calculate BPS last year may be less than the previous year. The land cover eligibility on common land is checked using enhanced satellite images and additional physical checks.

Digital maps in the Rural Payments service- check and change mapping updates: The Rural Payments Agency require all claimants to proactively check land parcels against the latest information available. These checks are made using digital maps and the latest available data sources, including farm inspections, aerial photography and Ordnance Survey map updates. The latest updates have been made between December 2018 and mid-March 2019. It is vital that land owners and managers check their digital land maps and land parcel details.

BPS Eligibility: If you apply for BPS, on the application, you must declare:

- All agricultural land on your holding
- Any non-agricultural land you use for a Rural Development Scheme Agreement
- Any land used for Countryside Stewardship
- Any land which falls under certain nationally funded woodland creation schemes

For land to be eligible for BPS it must be all of the following:

- Agricultural land (arable, permanent grassland or permanent crops)
- Used primarily for an 'agricultural activity' for the whole of the relevant calendar year
- At your disposal on the relevant BPS application submission deadline

Checking hedge information: The RPA will send a notification when:

- A land transfer is complete
- An entitlement transfer request is completed
- The RPA has made updates to digital maps that they were not informed about

Land and entitlement transfer notifications will be visible to anyone with permission for the business. However, the RPA will not send notifications confirming any changes which were confirmed by the land owner or made following an inspection.

If you require any support with your BPS paperwork or any other communications with the RPA, please contact James Douglas via email on jdouglas@kingwest.co.uk or by telephoning the King West Market Harborough office on 01858 435970.

Cottesbrooke Hall*

Handlebards travelling players are again visiting Cottesbrooke and will be performing Shakespeare's '**The Tempest**' in the gardens at Cottesbrooke Hall on Saturday, 20th July.

Gates will open at 5.00pm for picnics to be set up and for the gardens to be enjoyed, which will be opened for the evening.

The show begins at 7.00pm until approximately 9.00pm.

For further information and ticket information, please visit our website www.cottesbrooke.co.uk.
