# WELLAND VALLEY FEEDS NEWSLETTER

February 2020 - Volume 249

# Compact Tractors

Versatile, tough and long lasting a compact tractor is a great option for the large garden or land owner.

Buy one instead of a ride-on mower. Add a central mower deck and you have a great mower.

Its biggest advantage though is that it can be a multipurpose workhorse around your property. Add rollers, trailers, harrows and aerators overtime and you now have a grass and paddock maintenance powerhouse.

It doesn't stop there: Via its rear PTO a compact tractor can power a log splitter, salt or fertiliser spreader, topper or flail mower. Better still add a de-mountable front bucket or forks and handle pallets and muck heaps easily. The snow plough attachment is perhaps the ultimate addition during inclement weather.

So there you have it – a compact tractor can be so much more than the equivalent ride-on mower. And, if you outgrow it you will find it has one more advantage, its residual value will be much better than any mower as everyone wants a good, compact tractor.

 Or by email to: sales@wellandvalleyfeeds.co.uk Or drop off your entry in store. **Good Luck. Closing date: Tuesday, 18th February**

## Introducing Steve our Warehouse Manager

Retired from the Royal Electrical and mechanical Engineers after 22 years of service, Steve has been the warehouse manager with Welland Valley Feeds since September 2019. He is married to Sonia and has a 9-year-old son, Sam. His hobby is racing sidecars. He has found the move to warehouse manager an interesting transition!

He works with a team of staff behind the scenes (most of the time) to oversee the receipt and storage of products sold to our customers. The role requires coordination and people management. Behind the scenes the warehouse is divided into several key areas (the warehouse behind the shop, the modular building, three containers for overspill of goods, hay, and returns). All these areas need to be kept clean, tidy, stocked up and organised for the movement of goods inwards and outwards – with several hundred deliveries a week.

As well as goods being received, Welland Valley Feeds provides a daily delivery service within a 15-mile radius of the shop. These all require careful co-ordination with the warehouse team, together with the personnel in the shop and office. Deliveries are made by a 7.5 tonne lorry which is driven by Joe and “Vinny” the Mercedes Sprinter van which is driven by Nikke – these need regular maintenance.

Steve is also responsible for checking fire and security within the premises and he has a lead role in the induction of staff, health and safety and manual handling training.

Customers’ needs are obviously a high priority and Steve and his team pride themselves on going the extra mile whenever they can.

## CHUDLEYS ORIGINAL

Our best-selling muesli diet, designed for dogs in light work, during rest periods or for those that maintain weight easily.

Ideal for fussy eaters

Contains QLC, antioxidant package  
Designed to help support stamina and recovery

Nutritional support for the digestive system, with probiotics and natural fibre sources

Promotes improved coat condition and a healthy shine

# Raw Food

## NATURES MENU AND TRUE INSTINCT

There are many commonly reported benefits of switching to a healthy raw diet for dogs. These are:

- Fresher breath, cleaner, whiter teeth
- Increased stable energy, less hyperactivity
- Improved energy levels in older dogs
- Improvement in sensitive stomachs as raw food is easier to digest
- Reduction of allergies and intolerances
- Increase in appetite
- Reduced anal gland issues, less flatulence
- Improvement in conditions such as colitis (with the low fat options)
- Reduced inflammatory issues such as skin conditions or joint inflammation

Switching to a healthy raw diet for cats can help to:

- Manage obesity and lower the blood sugar level of diabetic cats naturally
- Support a healthy immune system, natural vitality and optimal muscle mass
- Support a healthy urinary tract given the high moisture content and cranberry content
- Nourish healthy skin and coat due to the use of natural oils and essential fatty acids
- Aid digestion and improve stool quality thanks to Grain Free nuggets
- Improve dental health and breath due to raw bones and chews.

Free from artificial colours, flavours, preservatives, fillers, added sugars and salts

# Catering for all your feline requirements:

# Lambing

We're fast approaching that very busy time with lambing. Our shelves are now well stocked in preparation of lambing time and we appreciate how exhausting this time is.

Remember our free local delivery service – if you're ordering your feed you can also add the smaller items to your order.

## Volac Instant Lamlac Ewe Milk Replacer

Even mixes in cold water. (Suitable for goat kids too)

Lamlac can be used whenever it is necessary to rear a lamb away from the ewe (i.e., orphan or surplus lambs). For successful rearing all lambs should have their navels disinfected immediately after birth and receive adequate colostrum (200-300ml) within the first 6 hours of birth. Lambs for artificial rearing should ideally be removed from the ewe within 48 hours of birth

10kg £23.59 25kg £49.95

## United Farmers Country Colostrum

Country lamb colostrum is a supplementary feed containing high levels of natural colostrum, fortified with egg powder, proteins and vitamins.

Available in 50g, 12 x 50g, 500g, 1.25kg

## Bottle Rack including 4 bottles

£30.40 + VAT

## Non Vac Lamb bottle and teat

£3.54 + VAT

## Nettex Lamb-Defence 100ml (50 lamb)

Colostrum protein for comprehensive support of new-born lambs. This product is formulated with colostrum, egg protein and trace elements to support lambs in the critical first few days of life when they are most vulnerable to disease.

Administer to the back of the tongue as soon as possible after birth.

£15.95 / 100ml

## Nettex Lamb Kick Start 100ml (25 dose)

Rapid energy boost for small, weak and growing lambs.

£14.95

## Battles Twin Lamb Drench 500ml

An energy rich drench with essential trace elements. For nutritional support of ewes carrying twin lambs.

£7.46 + VAT

## Battles Ewe Drink 150ml

Restoring normal health after lambing. Also suitable for chills and fever

£2.08 + VAT

## Rumevite High Energy & Protein

A high energy and protein feed and mineral block for cattle and sheep on grazing or low energy and protein forages

- High protein, containing a mixture of natural and urea protein, to help increase protein availability to stock fed poorer quality forages
- Good levels of energy from several sources to help support optimal body condition scores, target growth rates and milk production
- Fortified with minerals, vitamins and trace elements, including protected zinc, to help balance deficiencies in grazing and forages to support good stock health

22.5kg £13.95

## Provimi Orphan Lamb Shepherdess Feeder Bucket

A unique lamb milk feeder providing a simple system of delivering warm, fresh milk to lambs 24 hours a day.

£163.33 + VAT

## Pull on Spare Rubber Shepherdess Teat Available in Red or White

£1.24 + VAT

## Ewbol 18

Ewbol 18 is a quality feed designed to meet the requirements of extensive systems and flocks with good lambing percentages.

Producing lambs with:

- Good health and immunity status
- Good growth rates
- Strength and vigour

25kg £8.75

## Nettex Umbilical Spray 500ml

Specially formulated "active" preparation with rapid cleaning action for umbilical cords in the new born animal – with violet.

£5.41 + VAT

## Country Iodine

10% BP Strong Solution is an effective, slow release formulation for use on skin and navels of newborn stock Available in 500ml, 1ltr, 5ltr

**United Farmers Superlube**  
Available in 500ml, 1ltr, 5ltr

**Crystalyx Extra High Energy**  
22.5kg £24.55

**Nettex Castration Rings**  
Available in 100, 500, 1500  
**Nettex Castration Ring Applicator**  
£12.45 + VAT

**Rechargeable Torch**  
£20.83 + VAT  
**Krypton Lantern Torch**  
£6.62 + VAT

A unique specialist pre-lambing feed and mineral bucket designed to benefit both the unborn lamb as well as the ewe  
Key features and benefits

- Original patented formulation, and the only product proven by SAC to increase colostrum quality, including a 25% increase in IgG levels
- High energy, from several sources, ideal for ewes at risk of twin lamb disease
- Includes a blend of nutritional boosters, including lactose, mannan-oligosaccharides and beta-glucans to support the ewe's immune function and colostrum quality
- Supports an easier lambing, and contains minerals, vitamins and trace elements, including good levels of selenium and vitamin E, to support lamb vigour

Crystalyx Extra High Energy is a feed tub that can be used all year round to provide supplementation for ewes, rams and lambs. High in protein, energy and with a full complement of minerals, trace elements and vitamins, Extra High Energy and forage can be all you need to operate a highly effective and profitable sheep rearing system.

**Nettex Lamb Puller**  
£4.95 + VAT

**SUPALyx Sheep**  
22.5kg £16.95

A high specification mineral, vitamin and trace element bucket to help support flock health and performance all year round

- Fortified with minerals, vitamins and trace elements often found deficient in grazing and forages
- Contains high levels of selenium, cobalt and vitamins E, B1 and B12 to support good flock health and performance
- Contains a source of protected zinc ideal for where there is a risk of lameness

**Disposable gloves Silkies 100pk**  
£13.32 + VAT

**Rumins Sheep GP Minerals**  
A free-access mineral, vitamin and trace element supplement for grazing and housed sheep

- Fortified with minerals, trace elements and vitamins to help meet the animals' nutritional requirements
  - Contains added selenium, zinc, cobalt and iodine to support good stock health, fertility and growth as well as supplementing grazing and forages with major minerals
  - Waterproofed and flavoured to enhance palatability and ensure intakes
- 25kg £16.95

**Supalyx Super Energy Plus with Fish Oil**  
22.5kg £19.95

An extra high energy feed and mineral bucket for ewes in the run up to lambing

- Very high energy, including rumen protected fat, ideal for ewes at risk of twin lamb disease
- High level of quality protein, including hi-pro soya, to help support colostrum production and milk let down at lambing time
- Fortified with minerals, vitamins and trace elements, including selenium, cobalt, zinc and vitamin E, to support good ewe health and overall performance in the run up to lambing

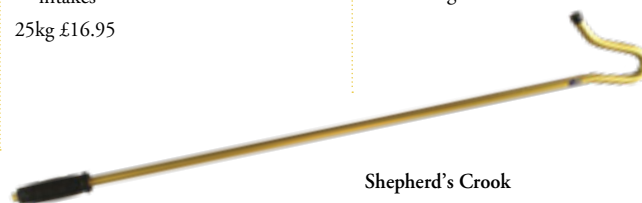

**SC Sheep**  
2 x 10kg £22.15

SC Sheep contains extra high levels of selenium (including Sel-Plex®) and cobalt help combat very common deficiencies in these essential trace elements. Selenium is required for healthy muscles, and a deficiency in cobalt can lead to pine in lambs.

**Latex Gloves S, M, L,**  
£5.79 + VAT

**Shepherd's Crook**  
£16.66 + VAT

# Sheep Wormers

# February in the Garden

## Things to do this month:

Pruning time for Clematis, Wisteria, Winter Jasmine, Hydrangea, Buddleia, Cornus, Mahonia, Evergreen shrubs, Climbing and Bush roses.

- Sow early seed under glass with extra heat and light.
- Plant summer flowering bulbs.
- Cut back Sedum.
- Sow Sweet Peas.
- Chit Potatoes

You can germinate under glass hardier varieties of Peas, Beetroot, radishes, some lettuces. You can also propagate (with heat,) leeks, cabbages, Brussels and chilies which need a long growing season. Remember, once germinated the seedlings will need to continue growing under glass or frost free until all risk of frost has passed. If space is a problem, it's sometimes easier to germinate later when the weather is better. Broad beans can be sown indoors into root trainers or cardboard tubes to give them a long root run.

Kings seeds recommend sowing seeds into a good quality seed sowing compost and water only with tap water . Do not use butt water as this can contain harmful pathogens, resulting in poor germination.

Solabiol Arbrex Seal & Heal 300g £6.98

- Seals and heals pruning cuts on all types of trees
- Protects against ingress of diseases and harmful pests e.g. coral spot, silver leaf, etc.
- Pruning paint with easy to use brush applicator
- Can be used down to -10C
- Suitable for organic gardening
- Active ingredients: Natural resin

### Greenhouse cleaning in preparation for the growing season

It may not be the most glamorous of winter tasks but cleaning out greenhouses, whether glass or plastic, greatly improves the growing environment for plants. By removing the algae, moss and grime it lets in more light and helps control pests and diseases too.

Jeyes Fluid

- 1 ltr - £11.99 inc VAT
- 5 ltr - £39.95 inc VAT

**Arthur Bowers Multi-Purpose Compost** 50 ltr £3.98  
(3 bags for £9.97)

## New products in store

### Dewdrop Bird Nest Box £13.99

Dewdrop Bird Nest box is a novel teardrop shape rather than a traditional rectangular box. Made from durable FSC certified plywood and with a decorative bamboo finish and natural hanging rope. The front and rear of the nest box is painted in pale aqua blue. The entrance hole is finished with a 32mm stainless steel hole protector.

The nester is suitable for all small hole nesting species such as Blue Tits and Great Tits. As with all bird nesters it should be sited away from bird tables and feeding areas. Choose a

spot so that the entrance hole faces between north and south east and hang at a height of 1.5 – 2.5m. Try to ensure the dewdrop is positioned to be safe from predators such as cats.

At the end of nesting season August – November the dewdrop nester can be cleaned by opening the circular access panel on the rear of the nester.

No chemicals are used in the making of this product. To maintain the appearance, the painted panels can be repainted with a water based paint as required.

### Green Dipper Bird Bath £16.99

Perfect for the smallest of gardens. Made in frost-resistant ceramic with hand finished soft green glaze contrasting with natural terracotta rim and decorative pair of clay birds at the water's edge.

### Dewdrop Window Feeder £11.99

Here is your chance to see birds feeding close up. Our new Dewdrop Wild Bird Window Feeder is designed to stick to your window pane using the attached rubber suckers. The Dewdrop Window Feeder is made of clear Perspex so you can get an unobstructed view of the birds dipping in and out of the feeder for food.

- Suitable for all bird food seeds, kibbled nuts, mealworms etc
- Provides clear view of the birds
- Easy to clean
- Easy to stick/move using rubber suction pads
- Features perch to encourage birds to land
- Additional hanging rope now included

### Dew Drop Butterfly House £13.99

This multi-species Dewdrop Insect hotel provides haven for butterflies, moths and other insects in your garden.

Invertebrates of all kinds form the basis of a healthy ecosystem, so they are to be encouraged whole-heartedly in our gardens.

The rear of the Dewdrop Insect house may be opened so that some twigs or straw can be added. This will assist roosting. The habitat may be used during summer and as an over-wintering space for certain species such as non-migratory butterflies.

The Dewdrop Butterfly/Insect habitat is made from FSC certified plywood with a decorative woven bamboo finish around the sides. The front and rear panels are painted a pretty aqua blue and may be topped up with a water-based shade to maintain appearance. No chemicals have been used in the construction of this habitat.

The Dewdrop Butterfly/Insect habitat should be hung close to flowering plants in a sheltered location. Ideally out of the prevailing wind and positioned in dappled sunlight.

## Horses & Ponies for sale or loan

**Companion Pony Looking Forever Home**  
Adorable 13.2hh gelding, 14 yrs. Has slight arthritis in his hocks, however, can hack lightly. We are not looking for any money for Diego, a good home is more important. Tel: 07980 007203

# Baseworks Ltd

Arenas • Gallops • Groundworks

07968 391224

leeroberts28@aol.com

baseworksltd.co.uk

Who we are

## Baseworks Ltd

We're an experienced and professional builder of equestrian arenas, gallops, surfaces and groundwork, conveniently located in Northamptonshire and serving our customers nationally.

## Our Services

**Equine Arenas, Gallops, Canter Tracks, Refurbishment of existing Arenas, Gallops and Canter Tracks, Surface Supply and Top Up, Stable Base and Horse Walker Base, Major Groundwork Projects, Fencing, Paddock Maintenance**

### Equine Landscaping

We offer a full construction service for your equine arenas, gallops and canter tracks from start to finish which begins with a full site survey.

### Fencing

We supply and install all types of fencing; security, railings, mesh, gates, barriers and bollards for domestic, equestrian, agricultural and commercial projects. Not only will it look great but it will last.

### Major Groundworks

Our installation teams have 10+ years experience in most civil ground works and are able to deliver cost effective ground works for a wide range of projects, including Commercial, Agricultural, Domestic, Equestrian and Environmental.

### Equine Landscape Refurbishment

After time sand can solidify losing its flexibility and create wet spots. We are able to provide refurbishment of your existing equine arenas, gallops and canter tracks.

### Surface Supply and Top-Up

If you wish to do a simple top up of your Arena, Gallop or Canter Track we can advise you on the best surface that is right for you requirements and are able to supply different types of surface.

### Stable and Horse Walker Base

We offer a full construction service from planning to build. We can do anything from a private yard of a stable block to a large commercial yard to include American barn, walker, car parking, roadways etc.

To view our portfolio and for more information please visit our website: [baseworksltd.co.uk](http://baseworksltd.co.uk)

**Leicester Animal Rescue**

Leicester Animal Rescue have many dogs and cats seeking kind, permanent homes. All are microchipped and up to date with flea and worm treatment, and adults are neutered. Please note we only re-home within the Leicestershire area

Roma is a nervous young dog who has been brought over from Romania and the family she was living with could no longer cope with having a dog as well as other commitments so she is now with us. Roma is very shy on first meeting so will need a patient owner and would probably benefit from a quiet home. Roma has lived with young children and she is hit and miss with other dogs. She has not been around cats. She needs someone who can help build her confidence

Jake is a 13 year old friendly boy who is with us due to him not settling with a new born baby in the house. He is fine with other animals but an adult only household would be best

**Please telephone to book a viewing appointment**  
**0116 259 9399.**

# THREE SHIRES COUNTRY FEED PRODUCTS

Top quality hay & straw delivered to your stable door.

All products are barn stored, additive, dust and weed free.

## HAYLAGE

**£5.95 per bag, 12 bags for £60, delivered and stacked.**

**Vacuum packed in 18/20kg bags.**

Three Shires haylage is a high fibre meadow mix made up of a mixture of grasses making it highly palatable.

It is high in fibre, dust free, low in calories and helps maintain a healthy balanced diet for your horse or pony.

All our haylage goes through our sorting machine where it is checked to make sure it is of the highest quality before it is rebagged and vacuum sealed to ensure it retains its freshness.

# Farmers' £3 billion support confirmed in time for 2020

## James Douglas

Bsc (Hons) MRICS, FAAV

The Chancellor, Sajid Javid confirmed on 30 December 2019 that nearly £3 billion of funding will be made available to support UK farmers and rural communities once the UK leaves the EU.

In an announcement published on [www.gov.uk](http://www.gov.uk), confirmation was given that the cash injection will maintain the current level of funding provided from the Common Agricultural Policy (CAP) Direct Payments scheme. This will offer certainty for farmers, giving them confidence for 2020.

Sajid Javid confirmed the cash will be used to support farmers once the UK leaves the EU, allowing them to plan for the future, sow their crops and care for their livestock with confidence.

In 2020, the UK will leave the CAP Direct Payments scheme, which supports farmers across Europe with subsidies. This will be replaced by a new system based on public money for public goods.

The cash injection will allow the funding for Direct Payments for 2020 to continue at the same level as 2019 and supplement the remaining EU funding that farmers will receive for development projects until 2023 at the latest. The funding will be available from late 2020, as in previous years.

### Chancellor of the Exchequer, Sajid Javid, said:

"When we leave the EU and are freed from the Common Agricultural Policy, we will be able to support our vital rural communities – who are a cornerstone of life in the UK – with a fairer and less bureaucratic system. Farmers can enter the New Year with confidence that they have our backing and will be able to thrive after Brexit".

### Environment Secretary, Theresa Villiers, said:

"Outside the EU we will have a simpler, fairer funding system – one that rewards farmers for enhancing our environment and safeguarding our high animal welfare standards. We are committed to making sure our rural communities feel the benefits of Brexit and will ensure our farmers get a better deal".

The funding is spread across two financial years, in 2020/21, £1,751 million is allocated for the Department for the Environment, Food and Rural Affairs and in 2021/22 it will be £92 million.

### The CAP consists of two pillars:

The vast majority of CAP Pillar 1 is the Direct Payments scheme. This scheme makes a payment to farmers each year based on the amount of land they manage. Farmers apply from March each year and in the UK are paid from December.

CAP Pillar 2 schemes deliver rural development and multi-year environmental projects.

Under the Withdrawal Agreement, the UK will continue to participate in all EU programmes financed under the EU's 2014-2020 multi-annual budget. The UK will leave the EU's CAP Direct Payments scheme in 2020, earlier than all other EU programmes, as 2020 Direct Payments are funded from the 2021 EU budget.

The payment for 2020 will be provided across two financial years, with the majority of the payments in 2020/21 and the remaining in 2021/21 to provide flexibility for Defra and the devolved administrations.

Remaining EU funding under CAP Pillar 2 (for rural development and environmental projects) will continue until the current EU funding is used up or 2023, whichever is earliest.

**King West work with a number of farmers and landowners regarding the above and if you wish to discuss further, please contact James Douglas, initially by email to [jdouglas@kingwest.co.uk](mailto:jdouglas@kingwest.co.uk) or by telephoning 01858 411535**

27/03/2020 Friday	Jousting Showcase: The Training of the War Horse. Come and join Historic Equitation at Keysoe this March for an evening extravaganza! Showcasing the training of the warhorse by taking dressage back to its roots, including jousting and mounted combat. Step back in time and see how the modern day dressage horse was formed. This is a rare opportunity to find out how these brave horses learn to joust and discover the original purpose of some the dressage movements you're already familiar with. It will feature a range of different horses genuinely being trained; from young to mature and from Spanish to Cob! Then finally witness skilled 13th Century knights up close; hear the thunder of hooves, splintering of lances and clash of swords in a jousting finale. Keysoe Equestrian Centre, Bedfordshire, MK 44 2JP 7.30-9pm Adult Tickets £14.99 Under 16's Ticket £4.99. For all bookings please go to this link: <a href="https://bookwhen.com/hee">https://bookwhen.com/hee</a> Please follow our Facebook 'Historic Equitation' and visit our website <a href="http://historicequitation.com/">http://historicequitation.com/</a>
