# Dase Modular Sofa

The Dase Sofa is a modular system designed with comfort and versatility in mind. This sofa offers enough space for resting, lounging, conversing and cuddling, making it ideal for both formal and informal settings. The sofa's design is highlighted by an upholstered backrest that gracefully follows the sofa's contours, accentuating its contemporary silhouette. Choose between matching upholstered legs for a cohesive look or dark-stained wood legs for a more subtle elegance. Both leg styles are included when purchasing a sofa.

With a commitment to responsible production, the wooden structure of the Dase Sofa is FSC™ certified. As a part of our Made to Order customisation concept, the upholstery for this item can be selected from a range of high-quality fabrics in different colours and patterns to create your custom piece of furniture.
