

Thank you for downloading the 4th Street Baseball sample game! In addition to the files contained in this folder, you will also need:

- One twenty-sided die (d20)
- Two ten-sided dice (d10) of different colors
- Two six-sided dice (d6)
- Base runner pawns or markers
- Fielder pawns or markers

The basic instructions have been included in the folder, along with the most important of the charts...the basic results chart.

You have also downloaded two teams from 2005; New York and Boston.

Finally, one of the ball parks (Boston) has been included.

We hope you'll enjoy the game!
