Thank you for trying out the 4th Street Football demo!

There are several document files saved in PDF format which you will need to open and print. Adobe Acrobat Reader can be downloaded for free from www.adobe.com.

The instruction manual is the same manual as is distributed with the game.

Two sample teams from 1970, Dallas and Baltimore (that year's Super Bowl teams). The "Sample Teams 1970" file contains the player ratings, while the "Sample Platoons 1970" file contains a helpful information about each team.

The "Play Cards" file contains 38 plays in the Pro Set formation, along with some special teams cards. Many more are included with the game, and a offensive play "coach" is in the works to create many more.

The "football field" file includes a miniaturized version of the play results, a returns table, and an area to keep track of field position.
