HERITAGE

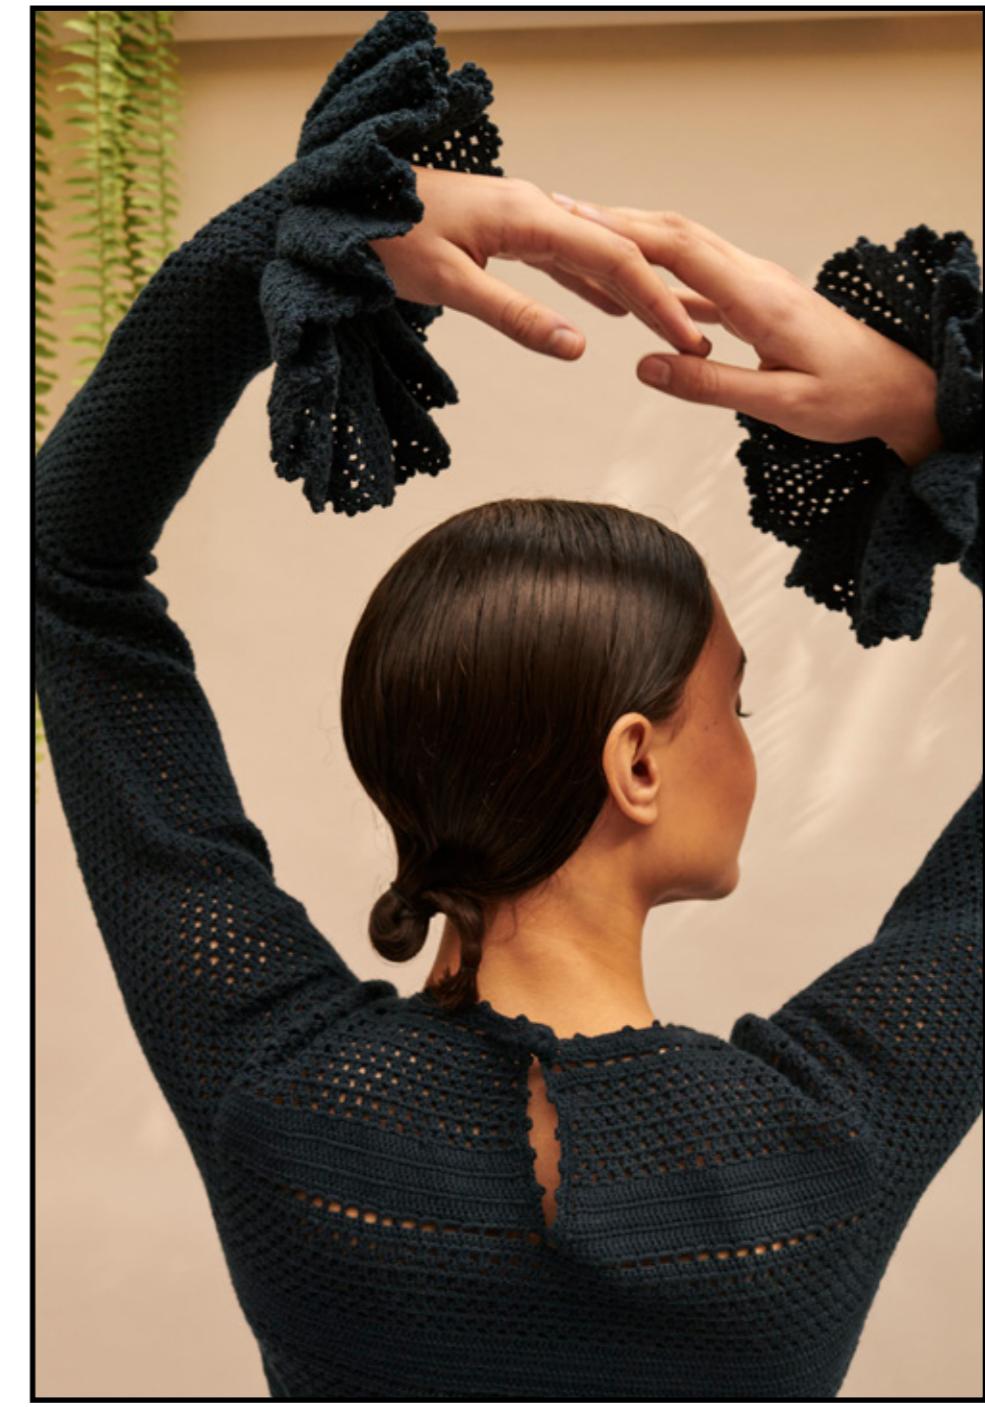

Peruvian artist's Valentina Maggiolo's series of 30 paintings, inspired by a nocturnal visit to Lima's Larco Museum, serves as this collection's main source of inspiration. The artist finds a striking contrast between her hometown's grey somber skies and a series of colorful vases in the museum. Much like Valentina, ESCVDO strives to find color in any dull moment. This collection finds perfection in lightness, extra soft cotton fabric sits as a second skin in many ultra-light pieces. Artisanal, handwoven pieces still reflect the brand's quintessential styles.
