

# CHARDONNAY 2019

Okanagan Falls

## SITE AND NOTES

Okanagan Falls is one of the most unique sites in British Columbia. Over tens of thousands of years a series of glaciers carved a great valley and left behind mounds of rocky soils. These along with long warm days and cool nights create wines with great acidity and mineral notes.

Crisp, clean, smashable, unoaked Chardonnay coming out of Okanagan Falls. Notes of citrus, stone fruit, and jasmine backed by very zippy acidity. Seafood wine!
