CABERNET FRANC

SITE

Okanagan Falls is one of the most unique growing regions in British Columbia. Over tens of thousands of years, a series of glaciers carved out a great valley, leaving behind mounds of rocky soils. These soils, along with long warm days and cool nights, create wines with great complexity and tension.

NOTES

Evocative of the classic mid-weight red wines of French brasserie culture, the 2022 Cabernet Franc is bursting with juicy, fresh red and purple fruits, a hint of pepper spice, and a gulpability factor that makes it an ideal accompaniment to long afternoons laden with bread, butter, cheese, frisée salad with lardons, and steak tartare.
