

2022 RIESLING

SITE

Okanagan Falls is one of the most unique growing regions in British Columbia. Over tens of thousands of years, a series of glaciers carved out a great valley, leaving behind mounds of rocky soils. These soils, along with long warm days and cool nights, create wines with great complexity and tension.

NOTES

Bright acidity with layered fruit, beginning with classic lime and honeyed green apple notes leading to lashings of guava and papaya. Well-balanced and genuinely mouthwatering.
