

2020 SYRAH SIMILKAMEEN VALLEY

SITE

Situated approximately 10km from the US border, Lazy River Vineyard enjoys the desert heat, constant wind, and stony slopes that make South Cawston such a special area to grow Syrah.

NOTES

The boldest of our Syrah collection. Upfront cured and roasted meat character is met with pronounced plum, leather, and black olive notes on the palate. The site's westerly exposure combined with high winds and elevation allows for a ripe, powerful wine with balanced acidity. Will develop further with pleasing results for 8-10 years.
